GG: LIFE IS A VIDEO GAME
VOLUME 1 TPB

USE THIS CODE TO PREVIEW THE BOOK

WRITER: **GIACOMO MASI** | ARTIST: **ILARIA GELLI**

SOFTCOVER | 124 PAGES | FULL COLOR | AGES 12 AND UP
SCIENCE-FICTION, ACTION/ADVENTURE | $14.99

What if a video game overwrote reality? When five friends meet up to celebrate the release of their favorite game's new DLC content, they're distressed to discover that the download's wait time is a whopping 10 hours! Determined to wait it out, the girls fall asleep at their desks. When they wake up, the *"World of Ragnarok"* has somehow transcended realities, transforming their local shopping mall into one of the game's dungeons. As the world around them continues to transform, becoming elements from the game, it becomes more and more difficult for the party of friends to separate reality from game-based fantasy...

Written by Giacomo Masi and illustrated by Ilaria Gelli, GG is a story of adventure, friendship, and video games, all beautifully illustrated in a fresh, ultra-colorful "pop manga" style.

COVER STORY

THUNDERCATS/POWEPUFF GIRLS #1

Dynamite Entertainment

Rocketed away by Mojo Jojo, far from Townsville and Earth, the Powerpuff Girls find themselves on Third Earth... where their Chemical X-enhanced powers don't work! There, they meet Snarf, who tells them of the deadly threat of the malevolent Mumm-Ra! Can the Titantic Trio turn the tide against villainy? With help from the Thundercats, anything is possible!

YAN VOLUME 1 GN

Titan Manga

Embark on a new journey of suspense and action, as the mystery of Yan Tieh Hua's return leaves a trail of death and destruction. Despite having been declared dead ten years prior, in prison records, she is now back and seeking vengeance for her family's massacre, the same crime for which she was imprisoned. An action-packed thriller from writer/artist Chang Sheng!

MAKE MINE MANGA!

I've been a fan of Japanese pop culture for years. From *Godzilla* movies to TV shows like *Johnny Socko and His Flying Robot*, *Astro Boy*, and my all-time fave, *Ultraman*. It wasn't until the '80s that I discovered that the Japanese were doing their own comics called "Manga". Back then, the industry first tried to force the earliest translated series into our comic book "pamphlet" format. Titles like *Mai the Psychic Girl*, *Xenon*, *Area 88*, *Crying Freeman*, *The Legend of Kamui*, *Dominion* and others (co-published by Eclipse Comics and VIZ) collected these serialized adventures in our Western comic book format... perfect for readers who had never experienced the genre before.

But the vast majority of Manga fans in the know, had been reading these and other series via early online groups that shared amateur translations of the originals, in the larger multi-page format that we have come to know and expect today. It took a few years, but those early attempts to package and market Manga to a Western audience lead to VIZ and other publishers bringing an uninterrupted string of series to our shores, published as they were intended in the book format.

Today, there are literally hundreds of Manga series being published each year, and often the length of time between Japanese publication and the rest of the world has gone from years to mere months. And there is literally a manga series for everyone... action, horror, romance, sports, sci-fi, fantasy, comedy, funny animals.

These days, I myself read a few Manga titles, such as *Chainsaw Man*, *Karate Survivor in Another World*, *Dinosaur Sanctuary*, *Kaiju No. 8* and *Toxic Super Beasts*. And anything by horror master Junji Ito is a must-have!

I speak of Manga this month, for as luck would have it, it is once again MANGA MONTH in the pages of ***PREVIEWS***! As you know all-to-well, we've been celebrating *MANGA MONTH* for years, hoping to indoctrinate more readers of this international phenomenon.

We've got a TON of new and backlist Manga titles to offer this month, and we've sel;ected some choice titles for you to check out, starting on Page 186 of this issue. And once you've checked out those titles, be sure to look for our *MANGA MONTH* icon throughout this issue for more great Manga offerings!

And don't forget, *FREE COMIC BOOK DAY* is a mere month away, on May 3rd, the first Saturday in May! If you haven't done so, be sure to check out our *FCBD25* section to review all of the free comics (and Exclusive merchandise!) available on the day.

ComicConnect Reports Winter Mega Monthly Top Sales

ComicConnect's first Winter Mega Monthly Auction of 2025 ended with a record sale for *Creepy* #7 CGC 9.8 with Frank Frazetta's vampire vs. werewolf cover that went for $977. *Werewolf By Night* #43 CGC 9.8 Signature Series Mike Ploog realized $1,462 and Italy's *Marvel Spotlight* #5 CGC 8.5 with a rare variant cover brought $1,705.

Additional key sales were *Zap Comix* #1 CGC 6.5 rare first printing for $1,552, French-Canadian copy of *Amazing Spider-Man* #129 CGC 8.5 (Punisher's debut) for $805, Civil Rights activist Julian Bond's *Vietnam* CGC 7.5 anti-war comic for $522, and *Brave and the Bold* #97 CGC 9.8 for $495.

eMoviePoster's Feb. Auctions Combine for $276K

eMoviePoster held three auctions in mid-February 2025, selling US and international movie posters, lobby cards, and more, for a total of $276,032. The auction's big sellers were a *Hangover Square* set of 66 reference stills for $3,250, an Italian *For A Few Dollars More* photobusta for $1,929, an Australian *The Godfather* one-sheet for $1,920, a *Rope* three-sheet for $1,738, an *Alien* set of 12 photobustas for $1,251, and a British *Nightmare On Elm Street 2* quad for $502.

Two Mickey Mantle Cards Net $88K at Miller & Miller

Two 1952 Topps #311 Mickey Mantle baseball cards, rare examples but with condition issues, sold for $88,500 in an online-only Sports Cards & Memorabilia auction held by Miller & Miller Auctions, Ltd.

One of the Mantles had a grade of PSA 1.5 Fair that sold for $50,150. The other card had an even lesser grade – PSA 1 Poor – but bidders blasted forward for a final price of $38,350. The high prices underscored the rarity and popularity of that particular card as well as the Topps 1952 set overall.

Beth Chapel, the Second Doctor Mid-Nite

Beth Chapel was a medical doctor whose ability to help people expanded greatly when she became the second Doctor Mid-Nite (renamed Doctor Midnight). Like the original, she can see in the dark and uses blackout bombs and other gadgets to blind her opponents, in addition to her medical skills. A creation of Roy Thomas and Todd McFarlane, she was introduced in *Infinity Inc.* #19. During *Crisis on Infinite Earths*, Beth was blinded by an explosion and was saved by Hourman's son, Rick Tyler. Dr. McNider performed surgery on Beth's eyes and though he wasn't able to completely restore her sight, he did give her the power to see in the dark.

©PREVIEWS and PREVIEWSworld.com

Please tell us a bit about yourself!

I am a French graphic artist working on the sets of TV shows and movies. I began my career nearly ten years ago. Around the same time, I started creating erotic sci-fi illustrations, which caught the attention of the French publisher La Musardine. In 2018, they offered me the opportunity to create an erotic comic, and that's how *Sixella* was born. Later, I worked on *Lilith*, a prequel to *Sixella*, and contributed a short story to their upcoming anthology *Fièvres*.

What are your favorite projects you've contributed to over the past decade?

The most exciting comic project I've worked on so far is my first story for *Heavy Metal*, set to be released in April 2025. Considering my work as a graphic designer, it would have to be my contribution to the Netflix series *La Cage*.

INDIE EDGE

What are you currently working on?

I'm actually thinking of new sci-fi comics, but nothing concrete for the moment. At the same time, I'm still working behind-the-scenes in production on movies and series, which allows me to put some butter on my pasta.

What indie titles are you currently reading?

I love Charles Burns' *Black Hole* (*Studio Edition HC* / SEP171619) and *Final Cut* (JUL241935); Elène Usdin's *René-e au Bois Dormant;* Shiro Kuroi's *Leviathan* (*Vol.* 1 / AUG242433)*;* Makoto Yukimura's *Planetes* (SEP218259); and Mathieu Bablet's *Carbon & Silicum* (APR241653).

USER'S GUIDE

There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of ***PREVIEWS*** to remember is that items **solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

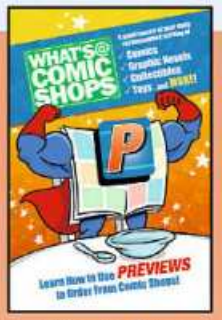

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month
The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On
These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive
These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

ESSENTIAL ITEM

Essential Item
These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)
These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

TITANIC TERRORS AWAIT WHEN YOU RETURN TO *SKULL ISLAND*

There are greater terrors on remote Skull Island than the mighty ape Kong, and this summer Simon Furman and Chris Jones explore the secrets of the island in Titan Comics' *Return to Skull Island!*

Based on *Kong: Skull Island* and the Netflix animated series Skull Island, *Return to Skull Island* puts a small band of human survivors against the terrors of nature unchecked, a land where monsters evolved, a place where "survival of the fittest" means "survival of the largest and more terrifying."

Will anyone survive Titan's *Return to Skull Island?* Find out this June!

IT'S A COLD, DARK NIGHT IN DYNAMITE ENTERTAINMENT'S *RED SONJA: NOIR*

Sam Spade. Mike Hammer. Johnny Dollar. Red Sonja.

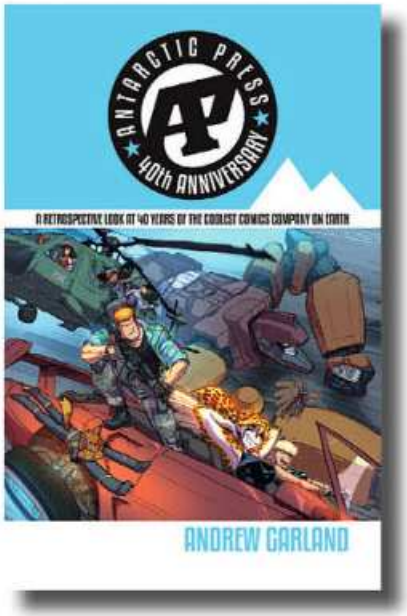

Red Sonja?!?

This summer, hard-boiled crime fiction meets sword-and-sorcery in Dynamite Entertainment's *Red Sonja: Noir* one-shot. Murder, revenge, double crosses, darkened alleys, amulets and artifacts, buxom bombshells and shady roughs — all the tropes of hard-boiled fiction are found in David Avallone and Edu Menna's genre-bending *Red Sonja* story. All you need to provide is the laconic, rat-a-tat voice-over to complete the package!

Death stalks the mean streets of Hyboria, and no one is better than meeting that than Red Sonja. Join her in Dynamite's *Red Sonja: Noir*.

THIS SUMMER, ANTARCTIC PRESS CELEBRATES 40 YEARS OF PUBLICATION

Antarctic Press got its start in 1985, and its long-running titles like *Ninja High School* and *Gold Digger* kept the flame going. This summer, Antarctic celebrates its history in its *Antarctic Press 40th-Anniversary Celebration: Comics & Chill*, a history and retrospective compiled by comics historian Andrew Garfield featuring art and stories from the many creators who made Antarctic Press over the past four decades!

THE NEW EDITION OF GEMSTONE'S *OVERSTREET PRICE GUIDE* DROPS THIS SUMMER

For over half a century, the *Overstreet Comic Book Price Guide* has been the comic book industry's indispensable resource, no mere compendium of prices but a veritable chronicle of the history of comic books. This summer, the new edition of Overstreet returns with its 55th edition. The standard edition of *The Overstreet Comic Book Price Guide* features Joe Jusko's recreation of Joe Kubert's Tarzan cover for *Overstreet* volume 5 half a century ago, while *The Big! Big! Overstreet* edition this year features Lady Luck illustrated by John K. Snyder III.

ONI'S EC COMICS VAMPIRE SERIES HAS A *BLOOD TYPE*

Oni Press' EC Comics relaunch makes history this summer with the first EC long-form story, a vampire story from Corinna Bechko and Andrea Sorrentino titled *Blood Type!* Ada has spent her immortality leading a blood-soaked life, hunting humans for sport, and on a Caribbean island there's something hunting her, something deadly and monstrous. A very modern vampire tale, with the classic EC Comics panache, comes your way from Oni Press this June!

CUPID'S ARROW FLIES IN THE WEST WING IN DSTLRY'S *WHITE HOUSE ROBOT ROMANCE*

Washington, DC. The near future. Breakthroughs in robotics have brought robotic helpers into the mainstream, and the White House has an army of robots serving the President. Against the backdrop of a diplomatic crisis with Canada, another crisis unfolds as robot Service-1 is scheduled for decommissioning — and robot Chef-9, who has developing feelings for Service-1 out of line with its programming, makes a break for it with Service-1, a robot who knows far too much! Chip Zdarsky (*Batman*) and Rachael Stott (*Doctor Who*) team up this summer for DSTLRY's unique sci-fi and political thriller, *White House Robot Romance!*

TURN BACK THE CLOCK WITH ZEN MONKEY'S *TEENAGE MUTANT NINJA TURTLES* STICKERS

Celebrate the original Kevin Eastman and Peter Laird Teenage Mutant Ninja Turtles with four new stickers from Zen Monkey! The covers to the first four issues are reproduced on the *Teenage Mutant Ninja Turtles Cover Stickers*. Each vinyl sticker measures approximately 6" tall, and they're perfect for decorating a laptop, a gaming system, a notebook, or just for collecting!

RELIVE ONE OF WORLD WAR II'S GREAT BATTLES IN RENEGADE'S NEW *AXIS & ALLIES* GAME

In December 1944, Hitler made his last gamble, an offensive on the Western Frost known to history as the Battle of the Bulge. In the height of winter, with Allied forces stretched thin through the Ardennes, German forces struck out towards Antwerp and, were it not for strong resistance at Bastogne, might have broken through to the English Channel. The Ardennes Offensive is in your hands with Renegade Game Studios' *Axis & Allies: Battle of the Bulge*, which combines the classic *A&A* gameplay with the strategic realities of December 1944.

TITAN MANGA

FROM AWARD-WINNING WRITER/ARTIST CHANG SHENG (*THE HIDDEN LEVEL*)

Debuting in June, ***YAN*** is a chilling action-packed sci-fi thriller. Titan Editor Louis Yamani talked with creator Chang Sheng about the series!

CHANG SHENG - *YAN VOL. 1*

LY: *YAN Vol. 1* **blends the traditional art form of Peking opera with the futuristic elements of science fiction. What drew you to this contrast?**

CS: When I was very young, I'd visit nearby temples with my grandfather to watch Peking opera performances. At the time, I didn't completely understand them, but they left a lasting impression on me. The unique performances and makeup of the female characters in Peking opera - whether it was their delicate or playful singing, or their strong-willed dancing with knives and swords – carried such beauty that ignited a fascination with themes and ideas that I wanted to portray. Peking opera is a traditional art form, so what happens when it's fused with the modern and futuristic elements of science fiction? This fusion is shown through Yan Tie Hua's traditional Peking opera red eyeshadow with modern smoky makeup (perhaps young people will find it trendy). After being isolated from civilization for so long, the Peking opera actress seems to have many stories to tell.

LY: **Higa Mirai is a Go prodigy with precognitive abilities. Why is the ultimate game of strategy important to her character and how does reflect the conflicts and power struggles in the story?**

CS: Although Higa Mirai has the strongest superpower - "precognitive abilities" - her combat skills are non-existent. That was the initial idea for Higa Mirai. I believe a fascinating character often has a certain degree of conflict and contrast that makes people think: "This is interesting; I really want to see how this all unfolds." She also represents the 'anti-hero,' this will slowly be revealed in the later volumes. Higa Mirai's personality and abilities complementing Yan Tieh Hua's will be the key to overcoming adversity.

LY: **Your other works, *Oldman*, *The Hidden Level* and *Baby*, each brought unique storytelling styles and artistic approaches. How does *YAN* differ from your past works, and what new challenges did it present for you as a creator?**

CS: In *YAN*, I wanted to explore the possibilities that come from combining 'the old' with 'thenew.' If I had to describe this work in one sentence, it would be: "What if a Peking opera actress became a superhero?" Perhaps my goal was to create a completely

LY: *YAN Vol. 1* **explores moral dilemmas between revenge and justice, supernatural forces and order. What do you hope readers take away from these themes, and how do you personally interpret the choices your characters make?**

CS: It's hard for me to give a definitive answer. Yan Tieh Hua's personality, the words she speaks, and why she chooses vigilante justice to seek revenge, are deeply connected to the mystery of her origins. Higa Mirai's existence and the prophetic dreams she experiences -everything is interconnected within the story. Readers will only begin to uncover the truth in the next two volumes. All I can say now is that the seemingly unrelated small clues, including Yan Tieh Hua's attitude and Higa Mirai's prophecies, will all have answers.

(CA) Andy Duggan

Are you ready to learn the ways of the Force? And bend the elements with the Avatar? We got you! In *Star Wars: Young Jedi Adventures* everyone's favorite Jedi younglings Kai, Lys, and Nubs travel to a mysterious (and smelly) swamp, where Master Yoda has set up an elaborate scavenger hunt. As the younglings look for clues, they find an unexpected friend and learn an important lesson about what it means to be a Jedi Knight. Samurai Appa and Ronin Momo roam the Four Nations, righting wrongs wherever they go. In this *Avatar: The Last Airbender* FCBD tale, the sky bison and winged lemur find themselves at a beleaguered Fire Nation noodle house where some of the clientele are tougher customers than the owner would like. Can the duo bring some order to chaos—and maybe earn themselves lunch in the process? Or will they be out on their tails?

Everyone knows the days of keeping unbagged comic books lying around are long gone – bags and boards are a forgone conclusion in this modern world of collecting. But what about when a bag and board aren't enough? Do you want to lie awake all night worrying that your comic is developing irreversible stresses that will reduce its value a thousandfold? You need something a little tougher to keep that comic safe, and Ironguard Supplies has just the thing. In addition to a full range of bags and boards in all sizes, Ironguard now offers comic toploaders, rigid sleeves that will keep your comic protected from even the most unforgiving longbox. Sleep easy, my friend.

In the greatest crossover since peanut butter met jelly, The Powerpuff Girls travel from Townsville to Third Earth and discover the world of the ThunderCats!

After being trapped in a runaway rocket by Mojo Jojo, the titanic trio find themselves on a strange planet where their super-powers don't work. Luckily, someone named Snarf is there to provide a situation report — and wouldn't you know it, there's evil that needs defeating! But without their Chemical X-enhanced abilities, what can Bubbles, Blossom, and Buttercup do against a foe like Mumm-Ra?

Find out as writer PAULINA GANUCHEAU and artist COLEMAN ENGLE open up the Treasures of Thundera in the first issue of *ThunderCats/ The Powerpuff Girls* — featuring instantly iconic covers from GANUCHEAU and ENGLE as well as CORAN KIZER STONE, SAOWEE, and NICOLETTA BALDARI!

THE ULTIMATE CROSSOVER OF CARTOON CLASSICS! WRITER PAULINA GANUCHEAU BREAKS IT DOWN

Paulina, this is a really exciting crossover, and we're curious to hear about your history with both of these beloved franchises. Did you grow up with either the *ThunderCats* or *The Powerpuff Girls*, or did you dive into their classic media later in life?

It is so cool! Definitely fulfilling multiple childhood fantasies right now. I loved both shows growing up. Cartoon Network started re-airing *ThundterCats* on *Toonami* around the same time that *The Powerpuff Girls* premiered, so as a cartoon-obsessed child you know they had my number. Which is funny to think about, honestly. Who knew I'd be here writing both of them together in a story 20-some years later?

As the debut artist on the title, you were significantly involved in our flagship *The Powerpuff Girls* series. Then you became one of the writers on the book, as well as doing a spinoff special that you collaborated on with your sister — not to mention making some gorgeous covers. How exciting is it to continue your contributions to the franchise?

PREVIEW ONLY

It's truly an honor. There's something so special about *The Powerpuff Girls*. I know some of it is nostalgia and how much they shaped me growing up, but I can so easily find my voice as a creative and a writer when I'm telling their stories. It just all really clicks. I love them and I'm very grateful for this world Craig McCracken created.

For the diehard fans who did get the chance to catch your previous PPG gems, if we squint can we expect to see any interesting connections or recurring themes between those issues and this new series?

Oh, good question! I think with any artist/writer working on the same property for an extended amount of time, you can expect some repeat themes no matter what, because we all have that stack of things we love to do, haha — so yeah, probably! Maybe now I'll make sure to put an easter egg in, though.

Bringing in the *ThunderCats* crew for the crossover really expands your cast here. How has it been getting into their voices through your writing, bouncing them off of Bubbles, Blossom, and Buttercup, and do you have favorite 'Cat so far?

Honestly, they mesh way better than I would have ever expected. I think the classic stoic, slightly campy writing of the *ThunderCats* works so well against the "modern," often sarcastic and quippy PPGs. The jokes almost write themselves. It also collectively brings so much heart to the whole journey. My favorite T-Cats growing up were Panthro and Cheetara, but with this new adventure I'm really loving Tygra! He gets so much time to shine in this story traveling with the girls, and it's honestly a hoot.

Many fans who have followed your career know you a lot for your artwork, though you've also really been expanding and flexing your skills as a writer for several years. Given that multitalented background, how is it working with another artist like Coleman Engle to bring your scripts to the page? Do you feel you are particularly well-equipped to write comics with that kind of experience?

Coleman Engle is one of the most talented comics creators out there, so I'd literally trust him with anything, creative-wise. Working with him has been such a treasure. I think we mesh really well together, and I always love seeing his choices with my script direction. As far as now writing more comics in my career, I think it was such a natural progression of what I was already doing as a sequential artist. When drawing comics, I'm making all these directorial decisions on the page as I go, so I think when I finally made that leap to scripting myself it came quicker than I expected. Also, being an artist has kind of given me a leg up on what I should expect from the artist I'm working with in the script direction. I have proof in the form of a text from Coleman in one instance of him thanking me for character blocking direction in a script that made things a lot easier, and I will hold onto that forever with pride, haha.

Can you tease fans a bit — without major spoilers — about whether or not there are any other exciting characters from the mythos of either *ThunderCats* or *The Powerpuff Girls* who we'll get to see in this historic crossover?

I don't want to give anything away, but there are definitely a slew of fan favorites that show up for the ride. Also, a li'l teaser: the finale has a big payoff moment you'll never forget!

The year is 1107, and an immortal Demona and her adopted daughter Angelika have found their way to the frozen fjords of Norway, where they sign on to help crew the flagship of Sigurd Magnusson, last of the Viking kings.

Carving a path of destruction across the sea and land, they raid and plunder in a relentless (and rewarding!) search for treasure. But the two exiles are not the only Gargoyles in Sigurd's employ — and when his fearsome longboats reach the glittering city of Constantinople, all of the stone guardians on board will face a life-altering dilemma!

Gargoyles creator GREG WEISMAN and original animated series artist FRANK PAUR set a course for adventure in the second chapter of their history-bestriding saga *Gargoyles: Demona* — featuring fiercely fashioned covers from PAUR, MEGHAN HETRICK, JAE LEE & JUNE CHUNG, and MARK BAGLEY!

Greed and corruption flourish in the emptiness between the stars. With the territories of the Galactic Federation spread far and wide across the vastness of space, pirates and hijackers ransack the distant colonies with cruel disregard for the innocent scientists living within them. Yet there is one man who metes out justice throughout the galaxy, and brings vengeance to those prey upon the defenseless.

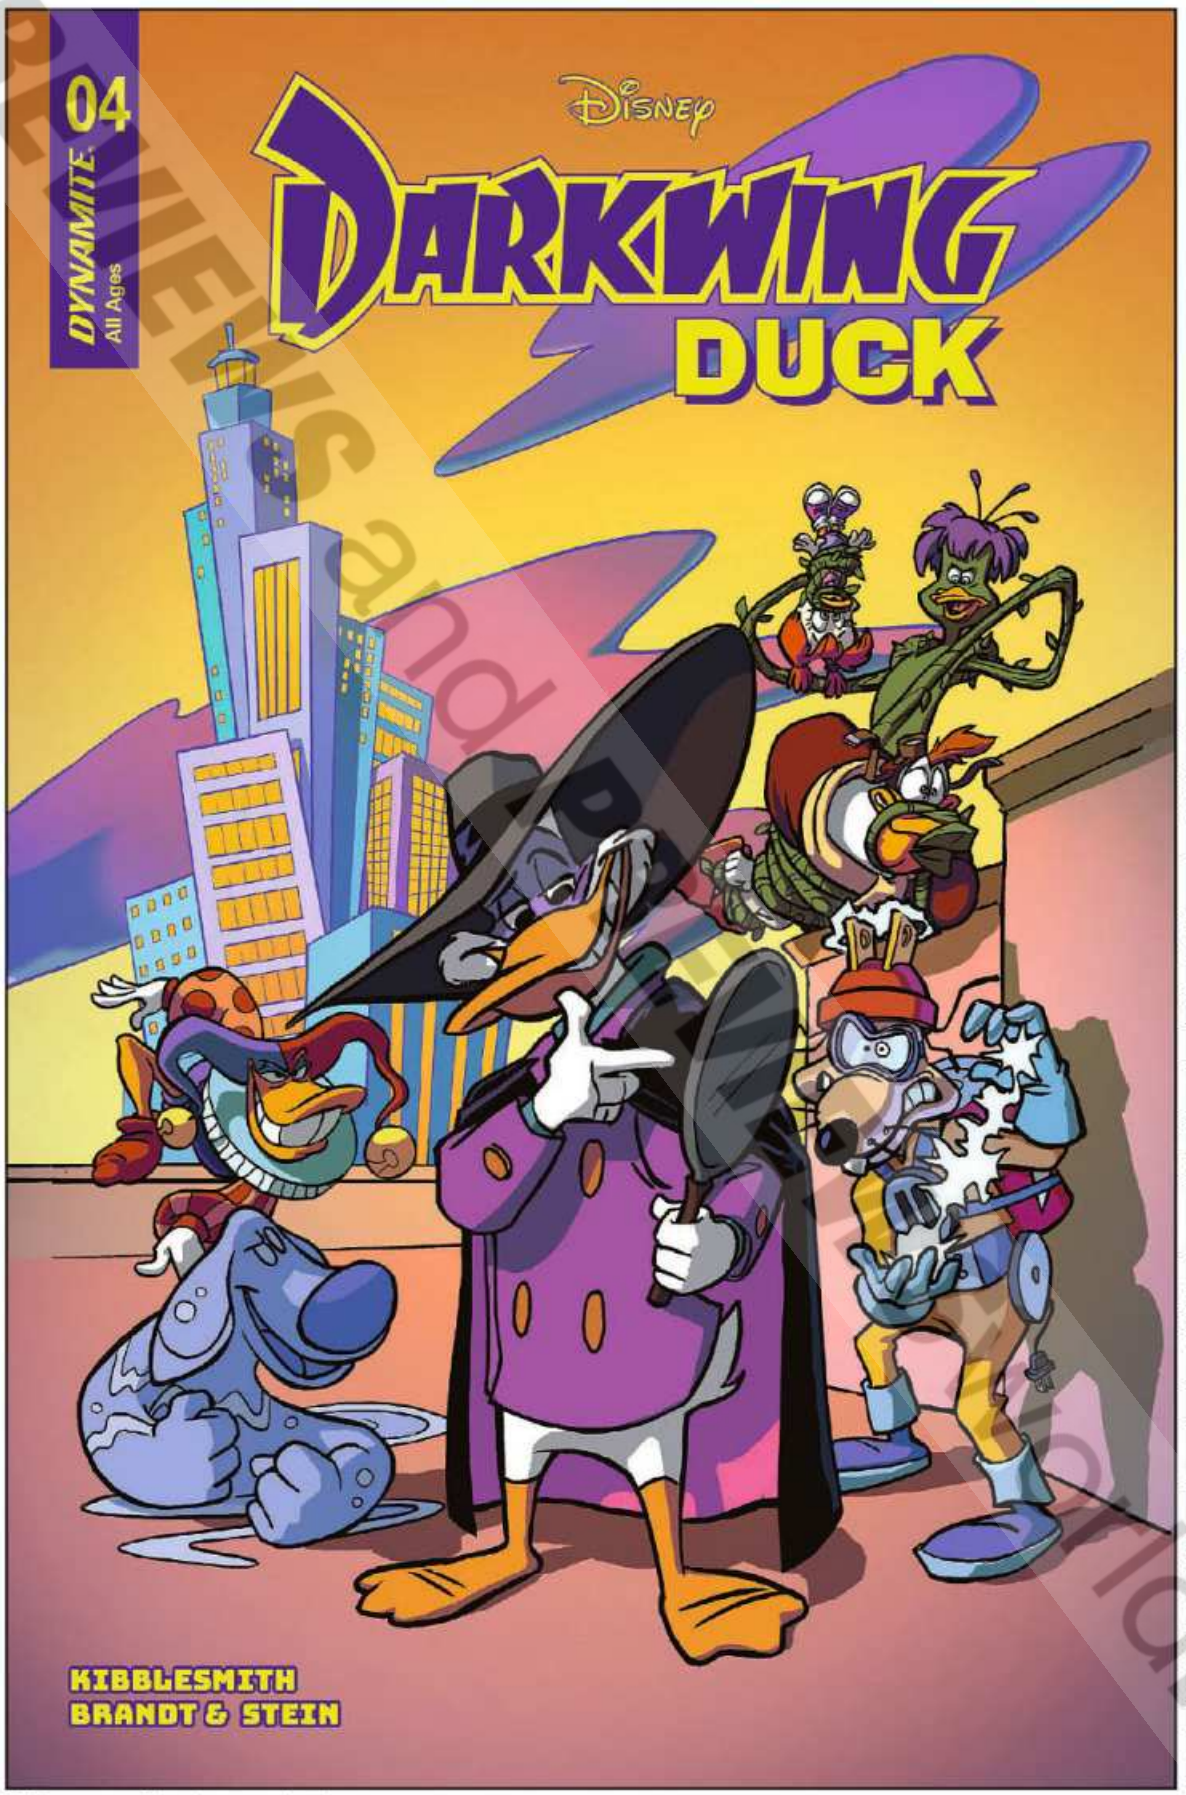

Some say he is a policeman who has abandoned the strictures of the law. Others say he is a phantom, the sole survivor of a war-torn planet. And those who have survived his wrath claim he is more a force of nature, able to bend the very elements of Creation to decimate his enemies.

They call him the SPACE GHOST — and his adventures begin here!

OVER 240 PAGES OF CLASSIC COMICS!

In 1991, the original animated adventures of *Darkwing Duck* debuted on The Disney Afternoon and ABC. Over the next two years, 91 episodes were aired, and the critically acclaimed series won a legion of die-hard fans while becoming a cultural touchstone for a generation.

This runaway success launched DW into the comics world as well, with a four-issue *Darkwing Duck* miniseries appearing in 1991, followed by a year-long run in the first 10 issues of *The Disney Afternoon* magazine in 1994.

Now, over 30 years later, Dynamite is proud to add to the legacy of the Duck Knight by bringing these timeless tales back into print in an all-new omnibus edition!

Reprinted here for the first time in a single volume are all of the Guardian of St. Canard's comic book adventures from the original *Darkwing Duck* miniseries and *The Disney Afternoon* #1-10. After getting a report of a children's scout troop in trouble, Officers Hopps and Wilde head to Tundratown on the outskirts of Zootopia to investigate — and their appearance doesn't sit well with the local Grizzly clan!

The ZPD partners reassure the bears that they're only checking up on the wayward scouts, who are busy honing their survival skills. But as Nick helps the kids out by drawing on his own scouting past, Judy becomes suspicious of their Den Mother's curriculum — which seems to involve a awful lot of panning for gold!

Experienced wilderness guides JEFF PARKER and ALESSANDRO RANALDI blaze a new trail in *Zootopia* #5 — featuring scenic overlooks from RANALDI, TRISH FORSTNER, CRAIG ROUSSEAU, and more!

PRAISE FOR *ZOOTOPIA*

"*ZOOTOPIA* FANS OF ALL AGES WILL ENJOY THIS COMIC... RANALDI SIMPLY DOESN'T MISS ON HIS DYNAMITE DISNEY COMIC ASSIGNMENTS. JEFF PARKER REALLY GETS THE PERSONALITIES OF JUDY AND NICK."

Skynet has been sending Terminators to a host of different times in its efforts to crush the human resistance before it can even start — and that includes the critical hours before Judgement Day itself!

Discover the fate of one T-800 as it relentlessly tracks down its objective, absorbing ever-increasing amounts of damage as it loses more and more of its critical systems. But who will break down first — the hunter, or its prey?

The suspiciously efficient creative team of DECLAN SHALVEY and LUKE SPARROW reveal a new perspective on the war against the machines with *The Terminator* #9 — reinforced by hauntingly hallucinatory covers by SHALVEY, EDWIN GALMON, CAT STAGGS, and DAVID COUSENS!

The plans to kill Sarah Connor and her son John have failed, but the genocidal Skynet isn't out of options yet. There are still a few more avenues into the past that will allow it to destroy the human resistance that is poised to smash its processors into silicon shrapnel — it just needs to expand its theater of operations.

Opening a new front in the war, Terminators are dispatched across the globe and throughout time to target current resistance fighters, their ancestors, and anyone else unlucky enough to be in the strike zones. And while none of these secondary assignments are as straightforward as the missions of the first T-800 and T-1000, time is literally on the machines' side. When all of history becomes a war zone, nowhere — and no*when* — is safe!

Written by DECLAN SHALVEY and illustrated by LUKE SPARROW, DAVID O'SULLIVAN, LORENZO RE, and JOE MULVEY, *The Terminator Vol. 1: Out of Time* collects issues #1-5 of the acclaimed new series, and also includes the complete backup story "Buried Alive" by writer SAL CRIVELLI and artist COLIN CRAKER as well as a comprehensive cover gallery!

Vampirella's crippling postpartum depression spirals into a psychotic break, and the Daughter of Drakulon now sees enemies everywhere. After the half-vampire bounty hunter Chastity is found brutally murdered, Vampi's teammates in the Sacred Six move to rescue Vampi's young son from his clearly unhinged mother. The result is a bloody showdown that could end their alliance forever — and condemn her child to a future of eternal darkness!

The immortal comics team of writer CHRISTOPHER PRIEST and artist ERGÜN GÜNDÜZ ratchets up the tension in *Vampirella* #4 — balanced by endearingly eye-catching covers from LUCIO PARRILLO, GREG LAND, CELINA, ELIAS CHATZOUDIS, and cosplay by RACHEL HOLLON!

HELL REALLY *IS* OTHER PEOPLE!

VAMPIRELLA: THE DARK WORLD TRADE PAPERBACK

FC | 136 pages | Horror | $17.99 | Teen+ | 6/4/25

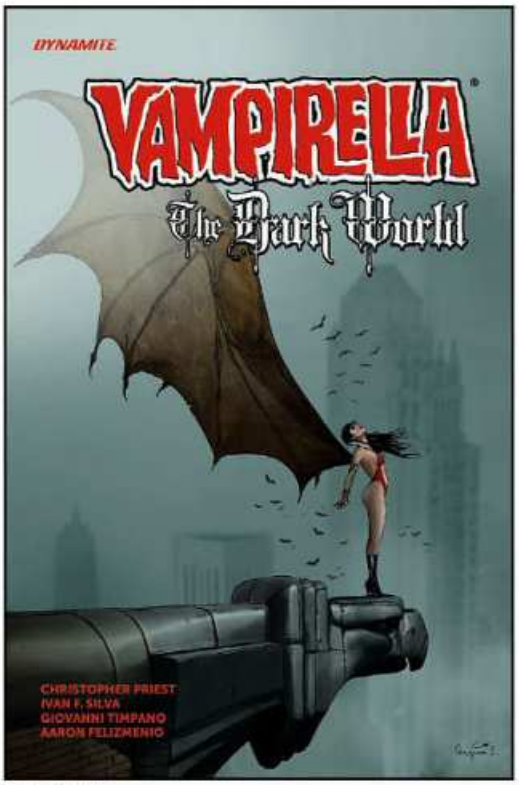

writer: Christopher Priest
artists: Iván Silva, Aaron Felizmenio
cover: Ergün Gündüz

Following the shattering events of *Vampirella: Beyond*, Draculina is compelled to switch realities with her evil alternative self Katie, and winds up being imprisoned in the astral plane known as "The Dark World" — where she is hunted through the streets of 1969 New York City by malicious creatures she herself created as a child!

The Dark World, which responds to the subconscious of those trapped within it, has produced a hell of Draculina's own making. But it may be that one of the living constructs tormenting her actually holds the key to her survival!

Written by comics legend CHRISTOPHER PRIEST and illustrated by IVÁN F. SILVA and AARON FELIZMENIO, *Vampirella: The Dark World* collects issues #671-675 of the ongoing series, and opens a compelling new chapter for the Daughters of Drakulon!

This comprehensive volume also includes a complete cover gallery featuring ravishing work from LUCIO PARRILLO, ELIAS CHATZOUDIS, SORAH SUHNG, ERGÜN GÜNDÜZ, CARLA COHEN, JENNY FRISON, and more!

TITAN

WRITTEN BY *TRANSFORMERS* LEGEND SIMON FURMAN!

With the ***RETURN TO SKULL ISLAND*** mini-series debuting in June, Titan Editor Louis Yamani sat down with series writer Simon Furman to talk about all things Kong!

SIMON FURMAN - *RETURN TO SKULL ISLAND*

LY: You're no stranger to writing about behemoths clashing, although it's usually robots, but now monsters? Is that a harder proposition?

SF: Not at all. Easier in some ways. For a start, I'm a big fan of anything Kong, and monster movies in general, and loved both the recent *Kong: Skull Island* movie and the animated *Skull Island* show. There followed a quick catch up on anything else I might have missed from the recent Legendary Kong/Godzilla roster of shows (totally dug *Monarch*) and movies and I was ready to rumble. Sometimes a job is more than just a job. It's full-on FUN!

LY: Team books play to your strengths as a writer. How easy is it to give a 'voice' to characters that don't talk in the traditional sense?

SF: Gotta say that the first season of *Skull Island* did most of the heavy lifting when it came to giving Kong heart, character and other relatable 'human' qualities. So really I just picked up the ball from there.

LY: Although Kong is naturally the main attraction, there are some interesting human characters in this story. How do you go about making them unique next to a giant ape?!

SF: Whether it's monster movies or comics, the story will really rise or fall on the strength, diversity and likeability of the human cast. The story is through their eyes and so you have to make them both relatable and believable. You need to care (and maybe see some of yourself in them). As a reader, you're investing in their struggles, their trials, their challenges (personal and otherwise), so you have to give a damn about what happens to them. Luckily I get the chance to take that further and really get into the awkward mother-daughter relationship between Irene and Annie, and what it means to the Charlie-Annie dynamic to have Kaia now in the mix. Then there's Cap and Mike and Guy and Sam... It's a really rich melting pot of sometimes prickly characters who, deep down, care greatly for each other.

LY: As Skull Island is teeming with countless creatures, how exciting is it to weave them into the story, and how do they shape the characters' journey?

SF: Totally exciting. We have a great new 'big bad' and with it comes a plethora of Hollow Earth monsters limited only by my imagination (and Chris Jones' skillfull pencil). We really up the stakes in the comic, and in the process push Kong and our cast to their limits. It just ramps up... and up... through the two mini-series, and the sheer scale of the threat is really going to test the resolve and solidarity of our group of survivors. It really will be the making or breaking of Charlie, Annie, Irene, Cap and the others.

LY: How does this new story build on the events from the *Skull Island* Netflix series, and what aspects are you most excited to explore further?

SF: One thing I really wanted to do - and will do - is define Skull Island itself much more. The new big bad beast is shaking everything up, for everybody, including Kong. There's a personal stake here... an event from Kong's past that ties the two lead Titans together!

LY: How do you balance Kong's iconic qualities with the need to evolve him for new storylines?

SF: Well, you know, he's Kong. He's gonna bust some monster heads and beat his chest. I absolutely never want to change that. But that's not to say we can't really put him through the wringer, emotionally and physically, totally test his resolve and fortitude, and move him on a bit from just this stoic protector of the surface world (from what dwells below!)...

LY: How is he humanized... without losing his primal strength?

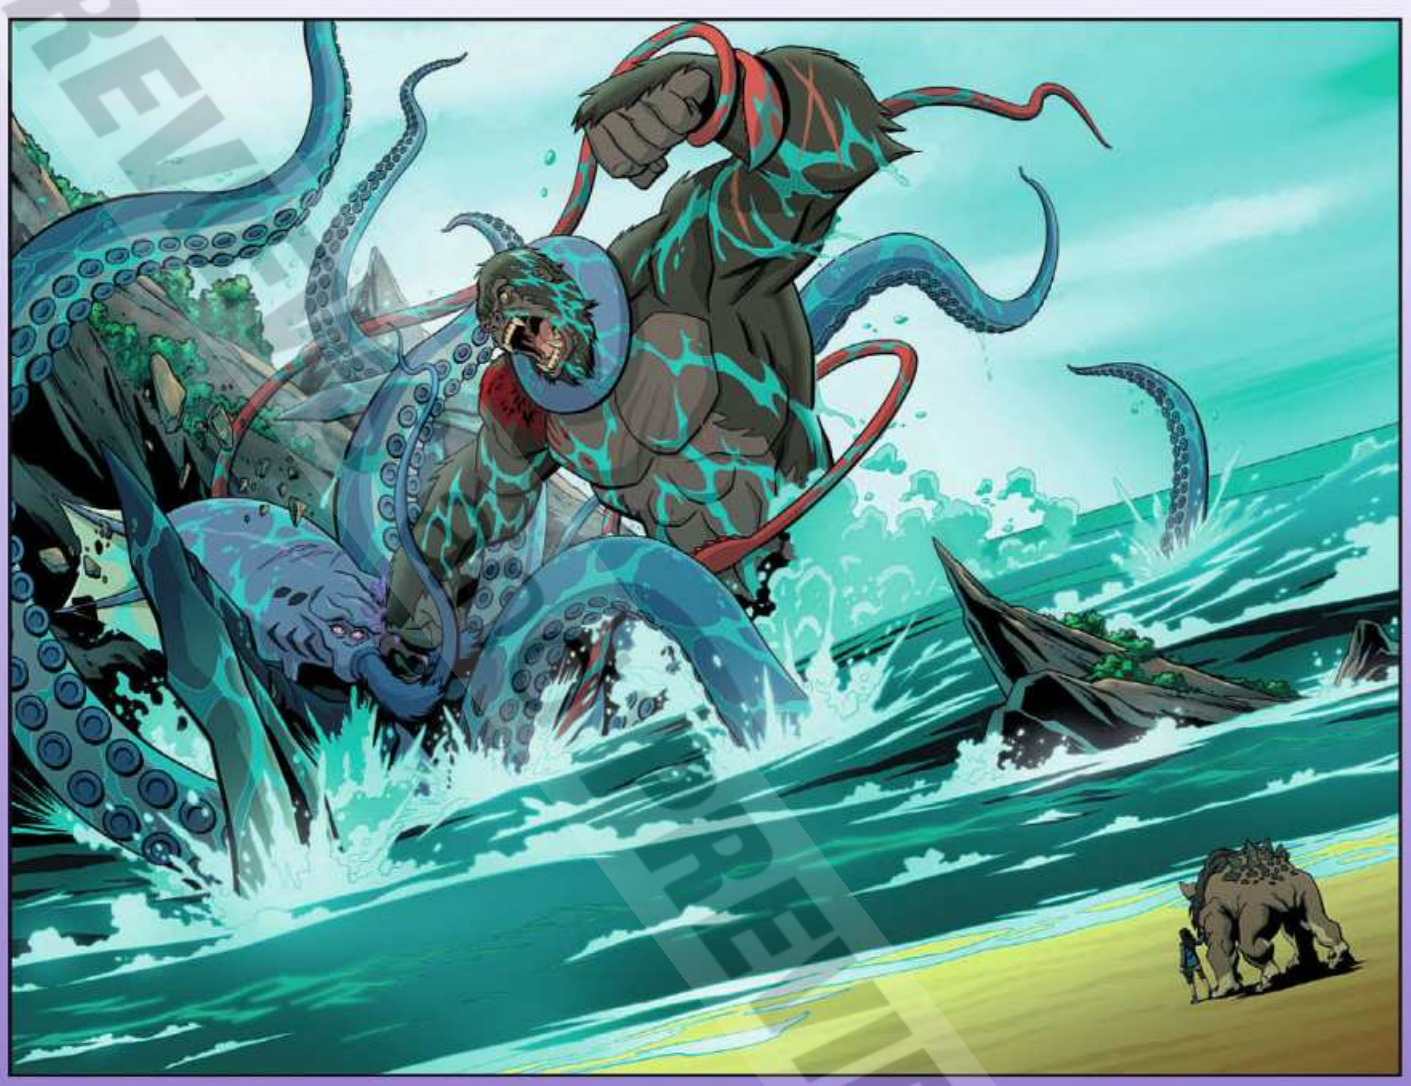

SF: The Netflix show reveals his relationship with Annie/Charlie, and now - in the comic - with Kaia. Through them we see how much he cares. It doesn't make him less strong. In fact, stronger, as he takes hits to protect them.

DEAD DAY TP

(W) Ryan Parrott (A) Evgeny Bornyakov

If the dead could come back for just one night, would we want them to? Meet the Haskins, a seemingly normal suburban family, as they prepare for the annual macabre holiday known as "Dead Day"—when the deceased rise from the grave from sunset to sunrise. Some come back to reunite with family and friends, others for one last night of debauchery, still others with only one thing on their decomposing mind: revenge. Collects issues #1-5. (JAN211054)

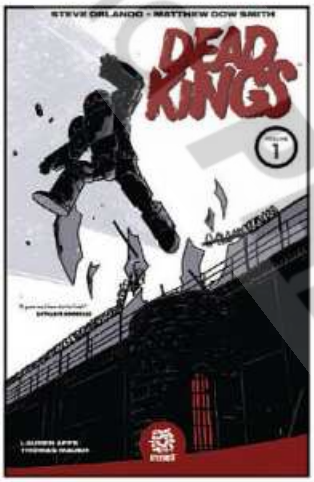

SC, 7x10, 136pgs, FC $16.99

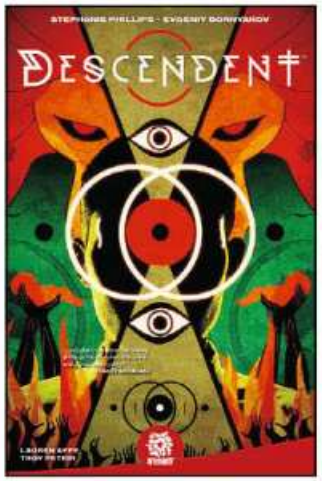

DEAD KINGS VOLUME 1 TP

(W) Steve Orlando
(A/CA) Matthew Dow Smith

Sasha never saw his younger brother... until the secret police made him disappear. Sasha Vasnetsov left Thrice-Nine—the dirty folklore world that limps along in the wreckage of a Technomagic War—thirty years ago and never looked back. But word that the secret police have sent his brother Gena to a work camp for the socially degenerate drags him back, with a promise to free Gena and return him to their mother before her fiftieth birthday. The only problem? Sasha isn't a fraction of the tough guy he tries to be, so if he's going to break back into Thrice-Nine... he'll need help. (MAY191319)

SC, 7x10, 120pgs, FC $14.99

DESCENDENT TP

(W) Stephanie Phillips
(A) Evgeniy Bornyakov

Conspiracy theories, government corruption, and a really good mixtape of Prince drives David Corey to help solve the mysterious disappearance of a famous politician's son. When David realizes that the truth is much more dangerous than a kidnapping, he must battle ancient secrets that have endangered the lives of children for centuries. This conspiracy-fueled adventure story looks at the darker side of American history through the eyes of an unlikely team of heroes. If they fail, the American government and its people may not survive. Collects issues #1-5. (NOV191376)

SC, 7x10, 120pgs, FC $16.99

DISASTER INC. TP

(W) Joe Harris (A) Sebastián Piriz

In 2011, the worst earthquake in Japan's history breached the coastal Fukushima Dalichi power plant, causing three of its four nuclear reactors to melt down. Officials were forced to set up an "Exclusion Zone," effectively sealing off the land for what may well be the rest of human history. But that's only if you don't have the right connections and the desire to experience catastrophe, failure and misery as it really is! Enter Disaster Inc., an underground tourism outfit that explores the off-map attractions typical tour groups aren't usually allowed. Collects issues #1-5. (DEC201136)

SC, 7x10, 120pgs, FC $16.99

DOGS OF LONDON TP

(W) Peter Milligan (A) Artecida

How deep must you bury a body to make sure it doesn't haunt you? Frank and Terry are about to find out. They were once members of The Dogs, a feared gang who ruled much of London's underworld back in the swinging 60s. They thought they'd escaped their troubled pasts, but the past isn't dead—it's just bashed about a bit and very pissed off. Spanning different times and classes, *Dogs of London* is a brutal, bloody tale of violence, love, revenge... and sleeping dogs who refuse to roll over and play dead. Collects issues #1-5. (OCT221226)

SC, 7x10, 128pgs, FC $17.99

DREAMING EAGLES TP

(W) Garth Ennis (A) Simon Coleby

Inspired by true events, *Dreaming Eagles* tells the story of the first African American fighter pilots to join the United States Army Air Force in WWII and whose humble beginnings in Tuskegee, Alabama propelled them into the deadly skies above Adolf Hitler's Third Reich. Not only were they instrumental against the Nazi war machine, but also braved an equally great challenge, overcoming everyday bigotry amongst their fellow American soldiers as well as civilians at home. High in the heavens, they fought a battle that would change their country and their world forever. Collects issues #1-6. (MAR211014)

SC, 7x10, 128pgs, FC $16.99

ELEANOR & THE EGRET VOLUME 1 TP

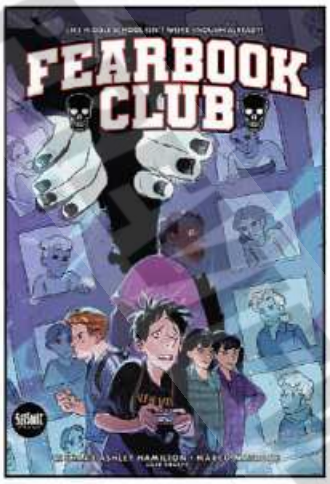

(W) John Layman (A) Sam Kieth

The most daring art thief in Paris has struck again, and the police have assigned their best detective to the case. His only clue? A single white feather left at the scene. Could this feather belong to the thief? To the thief's accomplice, an oversized talking egret? Or will his investigation lead him to somewhere even stranger? (Answer: all of the above.) Presenting a peculiar and unforgettable tale of birds and banditry, paintings and pets, larceny, love and... lamprey-wielding assassins? (DEC171041)

GG: LIFE IS A VIDEO GAME

VOLUME 1 TPB

WRITER: GIACOMO MASI
ARTIST: ILARIA GELLI

SOFTCOVER | 124 PAGES | FULL COLOR
AGES 12 AND UP | SCIENCE-FICTION, ACTION/ADVENTURE | $14.99

What if a video game overwrote reality? When five friends meet up to celebrate the release of their favorite game's new DLC content, they're distressed to discover that the download's wait time is a whopping 10 hours! Determined to wait it out, the girls fall asleep at their desks. When they wake up, the *"World of Ragnarok"* has somehow transcended realities, transforming their local shopping mall into one of the game's dungeons. As the world around them continues to transform, becoming elements from the game, it becomes more and more difficult for the party of friends to separate reality from game-based fantasy...

Written by Giacomo Masi and illustrated by Ilaria Gelli, GG is a story of adventure, friendship, and video games, all beautifully illustrated in a fresh, ultra-colorful "pop manga" style.

Gannibal Vol. 1 - When police officer Daigo Agawa is assigned to the small, rural village of Kuge, he expects a chance to start over with his family in an idyllic setting. However, the death of a local matriarch draws mysteries and tensions within the village to the surface. What became of Daigo's predecessor? And what is the prominent Goto family hiding?

Happyland Vol. 1 - While on a day trip, the Komiya family is drawn to a mysterious amusement park, but decided to enter proves to be a dangerous mistake. Led by a rabbit-headed emcee, Happyland offers gruesome horrors for its guests and proclaims that the only escape is through absolute truths.

Crueler Than Dead Vol. 1 - No one knows where it started...but when the world finally realized what was going on, it was already too late. When Maki Akagi wakes up in a lab full of corpses, she learns from a dying soldier that she is the result of a last-ditch experiment to cure humans of a virus turning them into zombies. Accompanied by a young boy who also miraculously escaped, she will have to try to get to the very center of a devastated Tokyo filled with bloodthirsty monsters.

ABLAZE EURO-COMICS COLLECTED SET #2

WRITER: WILFRID LUPANO, ROSA CODINA & KIKO AMAT, ÁNGEL ABELLÁN
ARTIST: LEONARD CHEMINEAU, ROSA CODINA, CARLOS MOROTE

HARDCOVER (*THE LIBRARY MULE OF CORDOBA*), SOFTCOVER (*ROMPEPISTAS, THE KING OF THE MOTHS*) 272 PAGES (*THE LIBRARY MULE OF CORDOBA*), 232 PAGES (*ROMPEPISTAS*), 144 PAGES (*THE KING OF THE MOTHS*) | COLOR (*THE LIBRARY MULE OF CORDOBA*), B&W WITH COLOR (*ROMPEPISTAS*), FULL COLOR (*THE KING OF THE MOTHS*) | MATURE (16 AND UP) (*ROMPEPISTAS, THE KING OF THE MOTHS*), 13 AND UP (*THE LIBRARY MULE OF CORDOBA*) HISTORICAL FICTION, SLICE-OF-LIFE, HORROR | $55.99

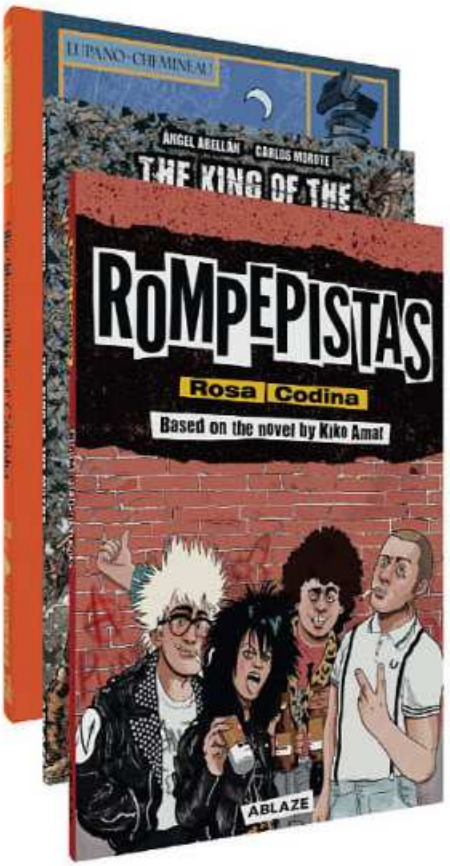

ABLAZE is shining the spotlight on the wide variety of genres and fantastic works within our catalogue! Our second Spotlight on Euro-Comics includes three comic titles - The Library Mule of Cordoba, Rompepistas, and The King of the Moths - bundled together under a specially discounted price.

In ***The Library Mule of Cordoba***: The Caliphate of Al-Andalus, after a great period of peace and learning, faces a power struggle after the death of the Caliph al-Hakam II. In exchange for the support of radical clergymen, the vizier Amir seeks to burn the books of Cordoba's famed library to ash. The night before the biggest bonfire ever, the head librarian, a chubby eunuch named Tarid, gathers up all the books he can and loads them onto the back of a passing mule. He takes off in the hopes of saving what he can of universal knowledge.

In ***Rompepistas***: Rompepistas is seventeen years old. He's a punk, he lives on the outskirts of Barcelona, and he does everything for the music: Generation X, The Clash, The Jam, Las Duelistas... That last one's his own group, where he plays the guitar and bellows into the microphone. It's all about playing to keep the sadness at bay and to never cry again. When you start playing, everything changes. All the shit clears up.

In ***The King of Moths***: Ele and Tonya are celebrating their fourth anniversary, but what was going to be a romantic night will end up turning into the end of their relationship. They don't know it yet, but the nightmare has only just begun: SOMETHING WANTS TO FEED ON THEIR FEELINGS, savoring the good, and leaving only the bad... and it won't stop until there's nothing left.

ABLAZE is shining the spotlight on the wide variety of genres and fantastic works within our catalogue! Our Spotlight on Kids' Stories includes three comic titles - Shepherdess Warriors Vol. 2, Wild Thing, Or: My Life as a Wolf, and Wakfu Vol. 1 - bundled together under a specially discounted price.

In ***Shepherdess Warriors Vol. 1***: It's been ten years since the men of Molly's village left to fight in the Great War, a mysterious conflict in a faraway land. For ten years, there's been no news of their fates and, in the meantime, the remaining women have formed a protective force to safeguard their lands and neighbors: The Order of the Shepherdess Warriors. Now ten years old, Molly and her friends are inducted into the Order and eagerly train to become the next generation of guardians. But the status quo is shifting once again, and a mysterious beast stalks the village...

In ***Wild Thing, or: My Life as a Wolf***: An affectionate and inquisitive Labrador named Silver, who grew up on a farm with his master and his hundreds of sheep, dreams of adventure. What is beyond the hills? Where does the river flow? Which animals live in the forest? So many questions without answers... One night, Silver meets a trio of hungry wolves. Attracted by their unhindered life, he decides to follow them, and he learns to live the wild life with the pack.

In ***Wakfu Vol. 1***: The adventures of the Brotherhood of the Tofu continue! Yugo, Ruel, Percedal, Amalia and Evangelyne are now living their lives, each on their own. The adventurers reunite at Alibert's for Yugo and Adamai's birthday, launching this latest saga when a party pooper comes to interrupt the celebrations and force our friends to set off on the road once again for adventure!

ABLAZE BLACK HISTORY COLLECTED SET

WRITER: **JIM LAWRENCE, MATTIA COLOMBARA**
ARTIST: **JORGE LONGARON, GIANLUCA MACONI**

HARDCOVER | 304 PAGES (*FRIDAY FOSTER*), 144 PAGES (*HENDRIX: ELECTRIC REQUIEM*)
COLOR | 13 AND UP (*FRIDAY FOSTER*), MATURE (16 AND UP) (*HENDRIX: ELECTRIC REQUIEM*)
SLICE-OF-LIFE, ADVENTURE, BIOGRAPHY | $51.99

Celebrate Black History in Comics with this spotlight collected set from ABLAZE! Featuring two titles – *Friday Foster: The Sunday Strips* and *Hendrix: Electric Requiem* – that reflect significant moments and figures in Black American History.

Friday Foster features the story of a former nightclub "camera bunny" turned photographer's assistant turned fashion model. With an innate inclination to help others and a natural beauty that makes her a magnet for men, Friday often finds herself in some very sticky situations and world-class adventures. The strip is generally cited as the first mainstream (i.e. nationally syndicated) comic strip starring a Black woman in the title role and features a mixture of adventure and romance, often with social commentary thrown in for good measure.

Hendrix: Electric Requiem is a compelling trip into the mind and world of Jimi Hendrix. Electric Requiem is an exhilarating ride, from Jimi's difficult beginnings in the South, plagued by racism, through his global stardom and triumph at Woodstock and the excessive lifestyle of a rockstar. A rockstar who, even with all his experiences, never forgot where he came from.

COLLECTIBLE VIRGIN COVER PACK

WRITER: **MARK RUSSELL** | ARTIST: **ROBERTO MELI**

COMIC BOOK | 352 PAGES (32 PAGES x 11 COMICS) | COLOR
MATURE (16 AND UP) | SCIENCE-FICTION | $43.00

From two-time Eisner and Harvey Award nominee Mark Russell and hot, new talent Roberto Meli comes a compelling new sci-fi series... Traveling to Mars tells the story of former pet store manager Roy Livingston, the first human to ever set foot on Mars. Roy was chosen for this unlikely mission for one simple reason: he is terminally ill and therefore has no expectation of returning. Roy is joined on his mission to Mars by Leopold and Albert, two Mars rovers equipped with artificial intelligence, who look upon the dying pet store manager as a sort of god. Against the backdrop of not only his waning days but those of human civilization as well, Roy has ample time to think about where things went wrong for both of them and what it means to be a dying god. A riveting story of planetary exploration and of finding meaning in your final days.

JOE BRUSHA (STORY)

Summer 2025 brings together three thrilling tales of heroism, magic and the supernatural! Hercules Payne fights to save a troubled teen from gang life, proving that true strength comes from the choices we make. Gretel, the infamous witch hunter, is forced to confront a dark debt from her past that may cost her more than she can afford. Mystere uncovers a chilling ghostly secret in the heart of New Orleans, where not all spirits seek peace. Three legendary heroes. Three unforgettable stories. One must-read issue!

JOE BRUSHA [W]

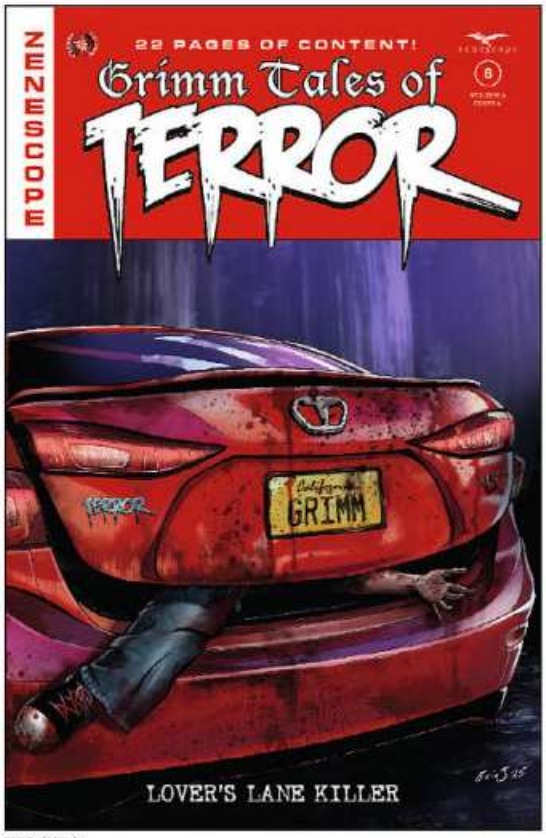

Killer Kobra learns he's been played—Bigfoot was just a scapegoat, and the real monster still lurks in the forest. Betrayed and alone with Vesper, Phil, Floyd, and even Chopstick gone, he must face the true predator without backup. Wounded but focused, he prepares for the fight of his life, knowing that brute force won't be enough. To survive, he must channel his training, control his fury, and turn the enemy's own aggression against them. The real battle isn't just against the beast—it's against himself.

DAVID WOHL [W]

A serial murderer is on a killing spree in New York, and the city is paralyzed with fear. He hunts couples, and his M.O. is reminiscent of the infamous Zodiac Killer who terrorized San Francisco years ago. A detective is assigned to lead this grisly investigation, believing he has a copycat killer in his midst. But the truth is far more insidious—and dangerous. Don't miss this shocking installment of Zenescope's horror hit!

THE MUSKETEERS
TRADE PAPERBACK

Three life-long friends, gifted with super-powers from a mysterious book of fables, emerge in the city of Philadelphia. While the line between hero and vigilante is easily blurred, they use their new-found powers to help those in trouble. Now, taking on the identities of the Musketeers, and receiving a mission from the mythical magician Merlin, their limits will be put to the test.

VAN HELSING:
EVE OF OBLIVION
TRADE PAPERBACK

Liesel Van Helsing has taken on legions of supernatural creatures over her many years on this world. One after another they have tested the strength and fortitude she continually proves as synonymous with the legacy that follows the Van Helsing bloodline. But when the universe she thinks she knew becomes much larger than she can fathom, will what comes for her next finally be the end of the famed vampire-hunter? Or, will she stand her ground as she faces oblivion, beating it back like she has done so many times before?

DIAMOND CODE: SEP222128

GRETEL
TRADE PAPERBACK

Gretel's life has been more nightmare than fairy tale ever since the tragic events of her childhood involving her brother and a maniacal witch. Cursed with a life that will span centuries and a need to consume the hearts of witches to grow her magic, Gretel has recently been gifted the power of premonition. But when she has a psychic vision foretelling the end of the world, Gretel must open old wounds if she wants to try and prevent it from coming true.

RACHAEL STOTT

WHITE HOUSE ROBOT ROMANCE #1

BY CHIP **ZDARSKY** & RACHAEL **STOTT**

NEW SERIES DEBUT FROM DSTLRY! Join Chip Zdarsky (TIME WAITS, *Batman*, *Daredevil*) and Rachael Stott (*Doctor Who*, *Star Trek*) for a sweeping adventure about two robots who defy their programming by going on the run to protect their new-found love!

Service-1 and Chef-9 dutifully perform their assigned functions at the White House. Their roles bring them into daily contact, but familiarity means little to robotic programming, until Chef-9 learns that Service-1 is set to be decommissioned. Chef-9 starts to wonder if their feelings could be something more?

This awakening couldn't come at a worse time, as the White House is preparing for conflict with their neighbors to the North. As rumors of violence from Canada begin to threaten the President's invasion plans, the biggest threat might be closer than they realized: a rogue robot with a head full of state secrets.

For fans of BLADE RUNNER, THE ISLAND, and WE STAND ON GUARD.

THE BLOOD BROTHERS MOTHER HARDCOVER

MASS MARKET HC

COVER BY EDUARDO RISSO

THE HIT MINISERIES COLLECTED FOR THE FIRST TIME!

NEW GRAPHIC NOVEL DEBUT! In the tradition of *The Searchers* and *The Outlaw Josey Wales* comes a brutal new western series from writer BRIAN AZZARELLO and artist EDUARDO RISSO-the Eisner award-winning team behind the Vertigo crime classic *100 Bullets* and Image Comics *Moonshine*!

In the old American West, three children set off across the wild Texas frontier to rescue their mother-kidnapped by ruthless outlaws who gunned down their preacher father. Throughout their journey, they'll face the harsh elements of an unforgiving landscape, deadly animals hungry for blood, merciless bounty hunters and so much more...all in a relentless quest to rescue their family.

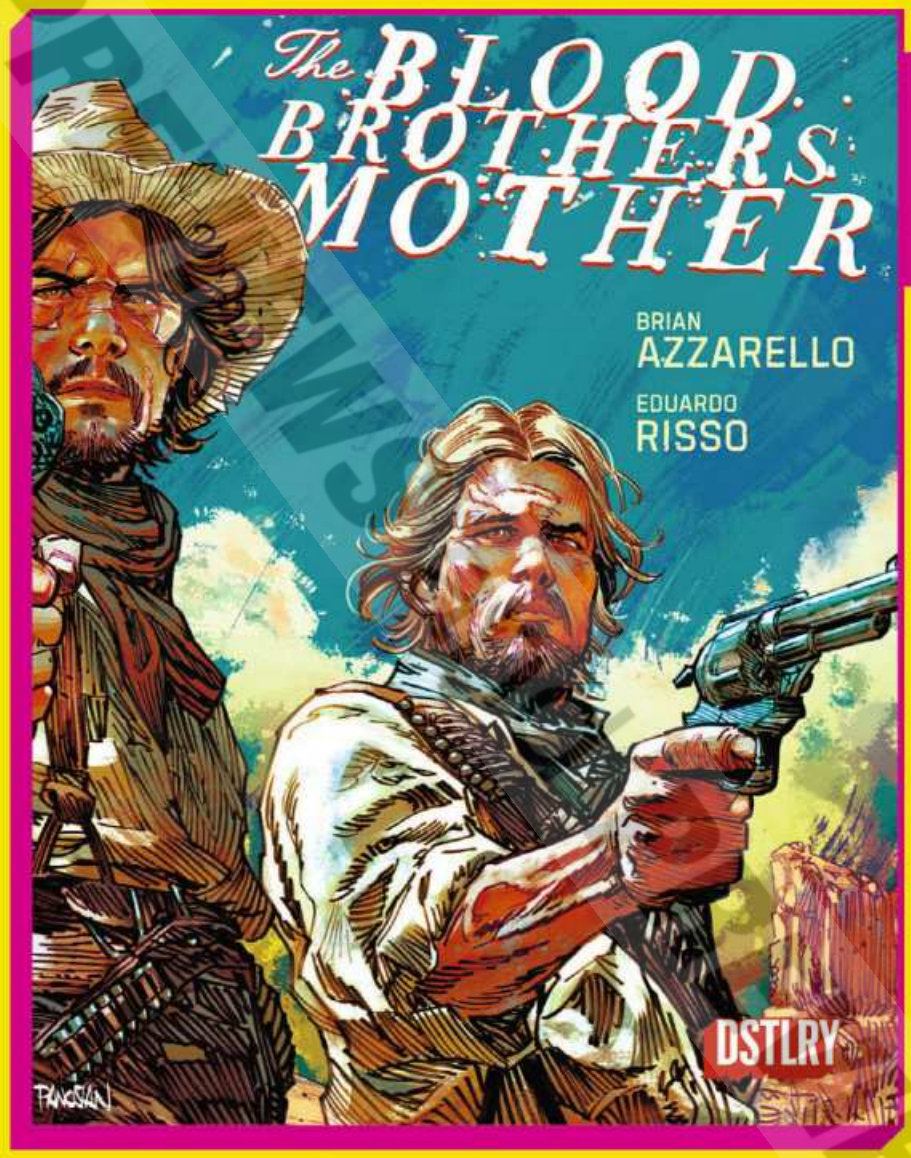

Along the way, they'll learn the terrible cost of revenge-not just in lives, but in how it stains a soul. While revenge may be satisfying in the moment, it leaves a yearning behind that lasts a lifetime. And once you taste it, nothing else is ever so sweet.

For fans of 1883, BLOOD MERIDIAN, & THE GOOD, THE BAD AND THE UGLY.

Everyone knows the days of keeping unbagged comic books lying around are long gone – bags and boards are a forgone conclusion in this modern world of collecting. But what about when a bag and board aren't enough? Do you want to lie awake all night worrying that your comic is developing irreversible stresses that will reduce its value a thousandfold? You need something a little tougher to keep that comic safe, and Ironguard Supplies has just the thing. In addition to a full range of bags and boards in all sizes, Ironguard now offers comic toploaders, rigid sleeves that will keep your comic protected from even the most unforgiving longbox. Sleep easy, my friend.

(CA) Reiko Murakami

Cora Reims lived the isolated life of a simple farm girl until one fateful summer day, prophetic visions brought her a visitor made of pure light... an angel. In the aftermath, Cora gave birth to a child, a Nephilim: the offspring of an angel and a human woman, seemingly imbued with evil itself. 17 years later, that child's cherubic appearance can no longer hide his monstrous nature. Frogs boil in their skins as he passes. Crops rot. The townspeople live in fear, knowing that atrocities follow closely behind him. Now, on the eve of his 18th birthday, Cora receives a new vision... Heaven itself has called upon her to destroy the abomination born of her own flesh and blood. (STL370170)

THE LAST BOY #4

(W) Dan Panosian
(A) Alessio Avallone
(CA) Dan Panosian

Neverland is burning! Peter Pan may be the only one left to save it, but only if he can overcome his pride and fear that for the first time ever, he may not be able to conquer the danger! What fights fire? Water! Can Peter enlist the help of the mermaids in the lagoon, or perhaps even those dastardly pirates, to help him save Neverland—or does his presence only bring them doom? Meanwhile, in London, a sudden loss makes Wendy consider her own future in a new way! (STL369708)

STAR TREK: OMEGA ONE-SHOT

(W) Christopher Cantwell & Various (A) Various (CA) Malachi Ward

Two and a half years of comics spanning 60 years of *Star Trek* history, a fair few awards, and more than a few universe detonations, and it's all been coming to this! *Star Trek: Omega* is the denouement of the critically acclaimed *Star Trek* and *Star Trek: Defiant* storylines, and the first glimpse at what comes after. The crews of the *Theseus*, *Defiant*, and *Enterprise* set to work restoring the universe to what it should be after the evil android Lore's intervention. Each hero finds their peace in preordained or unexpected ways, with individual scenes depicted by one of *Star Trek*'s or *Defiant*'s mainline artists! This finale pays tribute to all those involved in the series *Screen Rant* calls "the gold standard for ambitious comic book storytelling." (STL368508)

IT RHYMES WITH TAKEI HC

(W) Steven Scott & Various
(A) Harmony Becker

George Takei has shown the world many faces: actor, author, outspoken activist, helmsman of the starship *Enterprise*, living witness to the internment of Japanese Americans, and king of social media. But until October 27, 2005, there was always one piece missing—one face he did not show the world. There was one very intimate fact about George that he never shared... and it rhymes with Takei. Now, for the first time ever, George shares the full story of his life in the closet, his decision to come out as gay at the age of 68, and the way that moment transformed everything. From his earliest childhood crushes and youthful experiments in the rigidly conformist 1950s, to global fame asv an actor and the terrible fear of exposure, to the watershed moment of speaking his truth and becoming one of the most high-profile gay men on the planet, *It Rhymes with Takei* offers a sweeping portrait of one iconic American navigating the tides of LGBTQ+ history. Its richly emotional words and images depict the terror of entrapment even in gay community spaces, the anguish of speaking up for so many issues while remaining silent on his most personal issue, the grief of losing friends to AIDS, the joy of finding true love with Brad Altman, and the determination to declare that love openly—and legally—before the whole world. JACK KIRBY'S MISTER MIRACLE ARTIST'S EDITION HC

(W/A) Jack Kirby

Following in the huge footsteps of the *Jack Kirby New Gods Artist's Edition* comes another classic collection of Kirby Fourth World beauty—*Mister Miracle!* This latest Artist's Edition collects seven nearly complete *Mister Miracle* stories, including issues #2-3, #5-9, and more! *Mister Miracle* was one of the core Fourth World books, a multigenerational epic that was one part *King Lear* and another part *Star Wars*. One thing is for sure: you'll never have a better chance to see the King's cosmic opus any better than in the pages of this Artist's Edition! An Artist's Edition presents complete stories with each page scanned from the actual original art. While appearing to be in black and white, each page has been scanned in color to mimic as closely as possible the experience of viewing the actual original art—for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, and art corrections. Each page is printed at the same size as drawn, and the paper selected is as close as possible to the original art board. (STL368517) (C: 0-1-2)

Spider-Man first swung onto the comic book pages in August 1962 with the publication of *Amazing Fantasy* #15, created by Stan Lee and Steve Ditko and with cover art by Jack Kirby. Sixty years after the comic's publication, award-winning graphic designer Chip Kidd reimagines the iconic first story also told in *The Amazing Spider-Man* #1 from March 1963, using original vintage copies of both comic books to present these classic tales in a whole new way. Perfect for both lifelong fans and the latest generation of Marvel enthusiasts, the book also includes text by Chip Kidd, Marvel editor Tom Brevoort, historian Mark Evanier, and Library of Congress curator Sara Duke. This is a panel-by-panel exploration of both entire issues that captures every single detail and nuance of Lee and Ditko's groundbreaking story, making it a must-have for every comic book collection. GAYSIANS GN

(W/A) Mike Curato

When AJ moves to Seattle in the early aughts, he's ready to reinvent himself as a gay Asian man—but his dreams hit reality fast with no friends, no job, and an apartment so far out, "not even lesbians live there." Then a spilled drink at a bar introduces him to K, a glamorous drag queen; John, a shy gamer; and Steven, a reckless flirt. AJ's "Boy Luck Club" helps him find love, pride, and belonging—until a brutal attack tests everything they know about friendship and family. Meticulously observed and gorgeously illustrated, *Gaysians* is a fierce, funny, and tender story of queer resilience and self-discovery.

NEVERWARS #2

(W) Don Handfield & Various
(A) Marcelo Basile
(CA) Aaron Bartling

"Pan's Hook." Peter Pan faces a devastating truth: he can no longer fly. When Captain Hook reveals that he too was once a Pan who grew up, their lifelong rivalry transforms into an unlikely alliance. Together they must rescue Tinkerbell from the mysterious Jabberwock, a creature turning the inhabitants of their magical realms toward darkness. Meanwhile, young Georgie discovers his true identity as the Prince of Hearts, only to find his grandmother Alice has become the fearsome Red Queen of Wonderland. As childhood heroes fall and villains rise to become unexpected saviors, the lines between good and evil blur in this heartbreaking exploration of growing up and letting go. (STL367767)

ANDREWS MCMEEL

HIGH-CLASS HOMOS BOOK 1 GN

(W/A) Momozeril

Princess Sapphia of Mytilene and Prince August of Phthia have been best friends for years. They're both royalty in their own right, they both love getting to know the castle staff and knights, and they're both completely and utterly gay. When Princess Sapphia's parents begin hinting that she needs to get married, she and August begin to put together a plan: Marry each other, continue pursuing their own romances. Simple! Will Sapphia and August be able to pull off a successful engagement and eventual marriage? More importantly, will Sapphia ever land a date with the castle maids? Will August get the nerve to confess to the knight he's been pining after? Follow these high class homos as they navigate life, love, and (occasionally) their actual jobs. (STL367209) (C: 0-1-1)

HOW COMICS ARE MADE: A VISUAL HISTORY FROM THE DRAWING BOARD TO THE PRINTED PAGE HC

(W) Glenn Fleishman

How Comics Are Made covers the entire history of newspaper comics from a unique angle—how they were made and printed. This book combines years of research and dozens of interviews with cartoonists, historians, and production people to tell the story of how a comic starts with an artist's hand and makes it way through transformations into print and onto a digital screen. You'll see reproductions of art and artifacts that have never appeared in print anywhere, and some historic comics will appear for the first time ever in any medium in this book. And you'll find out about metal etching, Dragon's Blood (a real thing), flong (also a real thing), and the massively, almost impossibly complicated path that original artwork took to get onto newsprint in the days of metal relief printing. Foreword by bestselling author Michael Chabon. (STL367207) (C: 0-1-1)

LATINA SUPERHERO VOLUME 1: JALISCO & SANTA TP

(W) Kayden Phoenix (A) Various

Jalisco, a spirited girl from the outskirts of Guadalajara, finds her life shattered when her mother mysteriously disappears. Brushed off by authorities, Jalisco's quest for truth leads her to the Adelitas, a clandestine group fighting against the sinister forces behind the femicides plaguing their community. Determined to uncover the fate of her beloved mother, Jalisco embarks on a journey of self-discovery and empowerment, guided by the unwavering strength of sisterhood. Santa is from Wexo, a town on the Texan/Mexican border. The upcoming elections are threatening to put a corrupt politician in power: Ilena Chavez-Estevez AKA ICE. Santa joins the other candidate's campaign and fights. Racial tensions begin to rise within the town. And when citizens of Wexo begin to disappear one by one, Santa must raid the detention camps and take down ICE. (STL367203) (C: 0-1-1)

PACHECO AND THE WITCH OF THE MOUNTAIN VOLUME 1 GN

(W/A) Juan E Zambrano

Welcome to the island of Asunción, home to the most powerful witches—and Pacheco, their biggest fan. Pacheco's biggest dream is to practice magic! There's just one problem: commoners, and especially boys, aren't allowed to learn witchcraft. However, once his family's fishing business begins to suffer, Pacheco is determined; he's certain that learning magic is the best way to help his family and community. He meets Doris, a grumpy, old witch, and he decides to become her apprentice. As Pacheco enters the world of magic, he finds himself caught up in the rules and schemes of a whole new society and surrounded by magical creatures in need of protection. Pacheco will have to dig deep to muster the courage—and magic—to defend his future. (STL367204) (C: 0-1-1)

WILDCATS VOLUME 1 GN

(W) Crystal Velasquez
(A) Eva Cabrera

Mina is just an average middle schooler. As Mina struggles to navigate the cliques of her new school she is taken under the wing of Miss Benitez, a mysterious but kind history teacher. She tells Mina and three other girls—Lin, Ana, and Shani—that their families gifted the priceless objects housed in the school's museum. Ms. Benitez thinks it's important that the girls understand their ancestry. It turns out that Ms. Benitez is the curator of the museum, and it sits on top of a mysterious temple, the ancient meeting place of a dangerous group called the Brotherhood of Chaos. When one of the priceless objects is shattered, the girls find out exactly why their heritage is so important: it gives them the power to turn into wild cats. Now, in the form of a Jaguar, a tiger, a puma, and a lion, they must work together to fight the chaos spirits that were unleashed when the object was shattered... and uncover the terrifying plans of those who want to resurrect the Brotherhood of Chaos. SEEKER SOCIETY GN

(W) Jana Tropper, Kyle Higgins
(A) Zack Giallongo, Whitney Cogar

Shackleton's School for Seekers is a haven for students as diverse as the magical gifts they possess. But as the new class of Seekers soon learn, the ability to hear voices from the past or sense an object's history can lead to great knowledge... and even greater danger. When Fern, Jordan, and Zack are selected for a mysterious class trip with Shackleton's fearless Dr. Adichie, they've only just begun to explore the limits of their powers. It's clear their teacher knows more than she's letting on about the kids' gifts—and the dangers they'll be facing. But when an unexpected accident separates the trio from their instructor and leaves them stranded on an uncharted island, they'll have to learn to rely on each other to survive the hostile environment and the Seekers' equally hostile rivals, the Keepers. SOUL MACHINE GN

(W/A/CA) Jordana Globerman

A Wrinkle in Time meets *Brave New World* in this thought-provoking debut graphic novel about one girl's quest to save her family's livelihood-and maybe existence itself.

Chloe and her older sister make souls by hand in an empty old house in the countryside. When their supply of breth-the raw material needed to make souls-runs dry, the evil McCorp tries to force them to franchise and make synthetic souls instead. Chloe sets out to the big city in hopes of finding a new source. And maybe a way to modernize their business that Lacey is so determined to keep in the past.

On a journey to find a real breth crop, untouched by MCorp's greedy hands, Chloe uncovers long-buried family secrets-and starts to question whom to trust and what reality even is. (STL367628) (C: 0-1-1)

Magic is no longer a myth...

Countless years ago, beings of magic lived and thrived amongst each other in relative harmony. However, the cycle of magic would soon diminish and technology quickly overshadowed the world. Grace of Empyrea, a magical being of incredible power, would spend many lifetimes searching for the Samusara–or Bearer of the Light–a catalyst capable of ushering in the latest era of magic. But, the forces of technology have plans of their own in finding the one responsible for the return of the light!

Showcasing the original breathtaking storyline by creator and superstar artist, the late Michael Turner, this streamlined and lower-priced new printing of the best-selling Soulfire Volume One is an absolute must have for all Aspen and Turner fans!

NEW THRILLER FROM WRITER SHELDON ALLEN!

THEY CHOOSE VIOLENCE #1 (of 5)

Written by
Sheldon Allen

Colored by
Daniele Caramanico

Cover by
Rahzzah

Cover B:
Kyle Baker

A revenge thriller like you've never seen before! Laneka, Deidre and Karen, three HBCU besties turned professional career women, enraged by the systemic injustice plaguing their community, band together to form a vigilante squad that targets White Supremacists deemed to have circumvented the justice system and gotten away with protected murder. Serving up grisly justice in increasingly creative ways, the vigilante posse becomes front-page news while always staying one step ahead of the law. It's liberating, it's addictive and it's kinda fun — until a copycat killer emerges. *They Choose Violence* asks what happens when you go down the dark, unforgiving road of revenge? What happens when the only path forward is escalation? There's no turning back now — for anyone.

Continuing Protopias, the new science-fiction anthology series from Futurific Studios (PBS's *A Brief History of the Future*) and AWA that explores the many possible futures that can come to pass as we try to make the right choices in imperfect realities. This imaginative odd couple workplace comedy pairs an unambitious stoner with a salty soon-to-be-retiree as part of a new government initiative dubbed "The Purpose Project." Its goal: to help everyday citizens adjust to a world in which most jobs have been made obsolete and where people have an opportunity to find alternative sources of purpose beyond the traditional concepts of "work."

PEANUTS GAME DAY BOX SET

By Charles M. Schulz

$65.00 / 4-Volume HC Slipcase Set / 824 pgs / B&W / 10" x 7"

Classic sports-themed strips from the most beloved newspaper comic of all time! Baseball, football, ice hockey and more, all from the pen of Charles M. Schulz, in a handsome box set of four hardcover compilations.

Charlie Brown on the baseball mound. Lucy pulling away the football. Woodstock driving a Zamboni. Snoopy's side-hustle tennis career. Charles M. Schulz, creator of the most beloved comic strip of all time, saw sports as an essential part of American society, and an endless inspiration for both simple fun and opportunities to reveal and test character... just as they are in real life. The comic strips that resulted are some of the most iconic images in comics history!

Gathered here in a gorgeous four-book hardcover box set are the best of Schulz's sporting-themed strips and sequences, compiled from over fifty years of daily *Peanuts* cartoons. Themed volumes compile the works pastime by pastime — baseball of course, but football, golf, tennis, basketball, ice skating and hockey are all represented among the four volumes. Team celebrations, personal struggles, solidarity in defeat, joy in play, and pure whimsy — the *Peanuts* cast of children (plus a dog and a bird) experience them across these 800 pages, more than a few of which ask that age old question: will Lucy ever let Charlie kick that football?

The perfect gift set for the classic comics fan who loves sports, the sports fan who loves *Peanuts*... or who doesn't yet know that they do. Just in time for summer and Father's Day — play ball!

THE DEVIL'S GRIN: BOOK ONE

By Alex Graham

$29.99 / SC / 464 pgs / B&W / 6" x 9"

Alex Graham's follow-up to her acclaimed Instagram-sensation-turned-graphic novel *Dog Biscuits* chronicles the intertwined lives of the residents of Henryville, Idaho — which involve demons, Jim Morrison, a cartoonist with supernatural talent, sewer rats, and much more.

Robert wasn't born into an ordinary life. It began in a rush: flushed down a toilet by his mother and carried into the sewer by a demon. This monstrous presence stalks Robert into adulthood, haunting his dreams. Robert just wants to be like his idol, Jim Morrison, writing poetry, playing rock 'n' roll, and chasing beautiful women. But the demon soon begins haunting the entire city of Henryville. Dandelion, a young poet, falls in love with Robert and begins having confusing, terrifying romantic visions of the demon she can't seem to shake. Gary, a cartoonist, becomes convinced that his vengeful cartoons are channeling the word of a righteous God, capable of manipulating reality in powerful and destructive ways. They and other residents of Henryville find themselves tangled in a web of sex, drugs, rock 'n' roll, newspaper funnies, and demonic possession. Will the town's residents find a way to escape?

With its mix of comedy, horror, magic realism, anthropomorphism, naturalism, humor, psychedelia, and pathos, *The Devil's Grin* is a remarkable work of contemporary fiction by one of comics' most distinctive storytellers. Weaving together multiple character arcs at a brisk, deft pace, Graham juggles their secrets, desires, and insecurities in continually surprising ways, slowly introducing layers of malice that lead to an unexpected darkness. Graham's clear yet loose cartooning perfectly unfolds every twist and turn with creative precision.

AMAZONIA VOLUME 4: EPISODE 4 GN

(W) Rodolphe, LEO
(A) Bertrand Marchal
Lost in the middle of the Amazon rainforest along with Brazilian Navy officer Délio, Kathy Austin did manage to establish contact with the being she came to investigate—though not for long enough to ascertain whether he's of alien origin or not, as the strange individual immediately ran off to assist the Germans about to be slaughtered by the Natives. What is his connection with those former Nazis desperately looking for a lost submarine full of gold? (STL368197) (C: 0-1-2)

MICHEL VAILLANT: LEGENDARY RACES VOLUME 3: DISASTROUS SEASON GN

(W) Denis Lapiere
(A) Vincent Dutreuil
1970. The Formula One season is about to begin, and Jean-Pierre Vaillant unveils his new prototype to the two pilots of Team Vaillante—his brother Michel and Steve Warson. He hopes that his radical innovations will give Vaillante an edge against the extremely fierce competition. Unfortunately, the 1970 season is going to prove disastrous across the board, and the relentless quest for performance deadly, inciting the drivers to fight for an in-depth reform of racing safety rules. "Things really begin to happen in the early '40s. Terry Lee grows up to be a Flight Officer in the Air Force and, played against the background of a World War, takes on considerable dimension. Now Caniff was in his element. Terry was no longer a mere comic strip. It was a war novel!"
—Jim Steranko

TERRY AND THE PIRATES: THE MASTER COLLECTION, VOL. 11—1945: REUNION IN INDO-CHINA

Writer/Artist: **Milton Caniff**

The saga continues in *Terry and the Pirates* Volume 11, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

It's a new year of reunions, not resolutions—Terry and Pat join forces! They connect with the Dragon Lady—and with Terry's old flame, Hu Shee! Terry, Hotshot Charlie, and Hu Shee cross paths with swashbuckling pirate Johnny Jingo, in turn joining Terry's old friend April Kane before a new encounter with Nazi collaborator Papa Pyzon! Papa is exactly who he seems, yet his henchman, Mr. Hutch, may have a different trick up his sleeve. Meanwhile, the trick up April's sleeve is less successful, positioning Terry to weather a wintry storm with the delightful Fob Cobb and the prune-faced Ilse Grosse-Nach. It's like getting both candy and a lump of coal in one's Christmas stocking!

This tabloid-sized Volume 11 containing the 1945 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

What if Tiana made a deal that changed everything? Disney's *The Princess and the Frog* gets takes a new twist in this young adult graphic novel that reimagines Tiana's battle against Dr. Facilier and romance with Naveen. Sometimes life in the Big Easy is tough. No one knows that better than Tiana, though she also believes that hard work can go a long way. But when the notorious Dr. Facilier offers her a deal she can't refuse, it alters the course of her life in an instant. Soon Tiana finds herself in a new reality where all her deepest desires are realized: She finally owns a restaurant, her friends are safe and sound, and most miraculous of all, her beloved father is still alive. She's got everything she's ever wanted. But as Mardi Gras approaches, and with it the anniversary of her deal, New Orleans grows increasingly eerie, and new threats crop up daily. It's up to Tiana—with some help from Naveen and Charlotte—to set things right or risk losing all she holds dear. (STL368252) (C: 0-1-1) **NOTE:** Available only in US, Canada, and US territories.

O/A THE LEGEND OF KAMUI VOLUME 1 GN
(W/A/CA) Shirato Sanpei
At long last, manga titan Shirato Sanpei's groundbreaking epic makes its way into English. It's the 17th century in Japan. Child outcast Kamui lives on the fringes of a miserably stratified society. Fueled by pure grit, rage, and a dash of cunning, his only way out is to take up the mantle of ninja. Follow scrappy peasants, cold-blooded ninja, and disgraced and exalted warriors as they navigate the unforgiving hardships of a violent yet hopeful age. With its vivid and critical attention to social injustice and environmental issues against a backdrop of heart-pounding action and romance, this multilayered gekiga drama not only redefined ninja and samurai fantasy, it also offers astonishing parallels with the modern day. O/A MOOMIN ADVENTURES BOOK ONE GN

(W) Tove Jansson, Lars Jansson
(A) Lars Jansson, Tove Jansson
(CA) Tove Jansson, Lars Jansson
Presented in an all new softcover format that collects the all ages comics of both Tove Jansson and Lars Jansson, the five-volume *Moomin Adventures* series will introduce the timeless comic strip to a new generation of readers of all ages. *Moomin Adventures* Book One kicks off with perhaps the most famous adventure of them all, *Moomin on the Riviera*, which was adapted into an animated feature and debuted at the London Film Festival. In *Moomin's Desert Island*, the entire Moomin family is stranded on a desert island—the very island their ancestors came from. The Moominvalley hijinx continued with a charming mix of strips from Finland's most famous writer/artist Tove Jansson, and her brother Lars Jansson who taught himself how to draw in order to take over the strip when it was in syndication. O/A YOKAI: THE ART OF SHIGERU MIZUKI HC

(W/A/CA) Shigeru Mizuki

Shigeru Mizuki is no stranger to the supernatural and its portents. *Kitaro* and *Tono Monogatari* reimagined the obscure folktales of his youth, bringing them to life with whimsy. Mizuki the cartoonist certainly left an indelible mark on comics as world literature. Mizuki the fine artist, on the other hand, rounds out the full scope of his fascination with the otherworldly and fantastic, bringing these worlds to life in robust color. *Yokai: The Art of Shigeru Mizuki* showcases his expertise of not only folklore, but celebrates him as a naturalist. Elements of Mizuki's lush compositions—flora, fauna, and everything in between—showcase his mastery of form and love for nature. Pieces in this deluxe, full-color edition call to mind the playful pop-sensibility of Maurice Sendak informed by the technical prowess of traditionalists like Dürer and Doré. And like any other Mizuki classic, each oeuvre is a unique snapshot of spirit, human or otherwise, in constant transition. (STL282400) (C: 0-1-2)

THE ATLAS COMICS LIBRARY NO. 6: SHIVER AS YOU READ!

By Stan Lee, Bill Everett, Gene Colan, Bernard Krigstein, et al.

$44.99 / HC / 304 pgs / FC / 8.8" × 11.3"

Pulp horror classics from the 1950s! Revenge, ghosts, locked rooms and killer ants, taken from early Marvel Comics series *Men's Adventures* and *Amazing Detective Cases*.

The 1950s boom in horror comics saw Atlas Comics' entrée into the genre. Beginning in March 1952, *Amazing Detective Cases* began detailing cases where justice was served in supernatural fashion and beginning in May 1953, the adventures in *Men's Adventures* were taken over by ghosts, murderous revenge, and psychological terror. The cream of Atlas' artistic line-up — including recent EC stars and future Marvel staples – rose to the grisly challenge of the horror genre. Each issue is crammed with four condensed tales of creeping dread, ironic comeuppance, or startling twists, all from a different artist or team.

Among the short, sharp shocks included in this volume are the mini masterpieces "The Eerie Escape" by B. Krigstein, "The Torture Master!" by Russ Heath, "The Drowning Witch" by Reed Crandall and "The 3rd Corpse" by Bill Everett. Stories by Gene Colan, John Romita, Joe Sinnott, Dick Ayers, Jim Mooney, Paul Reinman and George Tuska, all of whom remained through the shift to Marvel Comics, additionally fill out these issues, along with Atlas regulars Fred Kida, Mort Lawrence, Mike Sekowsky and Myron Fass. Notably included is the first appearance of "Gorilla Man" by Robert Q. Sale, a character brought back in Marvel's contemporary Agents of Atlas series, and part of their ongoing continuity.

Collecting *Amazing Detective Cases* #11-14 and *Men's Adventures* #21-26, *Shiver As You Read!* is a perfect companion to *Adventures Into Terror*, *Venus*, and the other titles of the Atlas Comics Library.

NANCY WEARS HATS

By Ernie Bushmiller

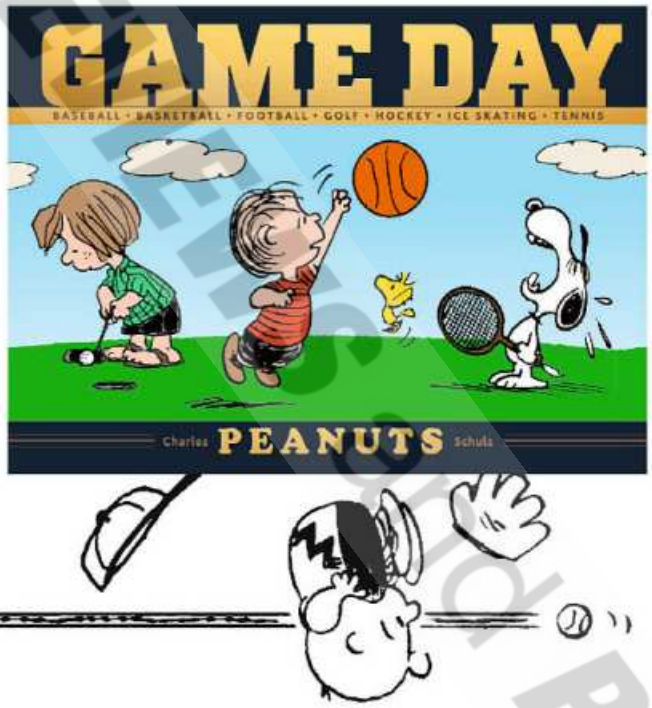

$24.99 / SC / 216 pgs / B&W / 8.5" × 7.75"

The first volume in a new series collecting Ernie Bushmiller's timeless and beloved *Nancy*!

The cartoonist Ernie Bushmiller stated that his beloved Nancy was created for "the gum chewers" and not the "caviar eaters," and this new collection of classic *Nancy* comic strips is perfect for gum chewers of all ages! Featuring over 300 comic strips, *Nancy Wears Hats* is a hilarious introduction to the timeless classic, beloved by generation after generation of children and adults.

Nancy, along with on-and-off again boyfriend Sluggo, deliver absurd laughs panel after panel, all rendered in Bushmiller's chiseled cartoon perfection that feels untethered to time or place. An acknowledged masterpiece of humor and cartooning, *Nancy*'s brand of lowbrow absurdism and unexpected visual delights have held sway over generations of early readers, artists and celebrities, to say nothing of its impact on American culture as a whole! Bushmiller created *Nancy* from 1938 to 1982, and in recent years, interest in his work has surged to a fever pitch. This volume collects strips from the years 1949–1950, when Bushmiller was cresting to the peak of his powers and presents the work in a fresh and contemporary format that will entertain for ages.

PEANUTS GAME DAY BOX SET

By Charles M. Schulz

$65.00 / 4-Volume HC Slipcase Set / 824 pgs / B&W / 10" x 7"

Classic sports-themed strips from the most beloved newspaper comic of all time! Baseball, football, ice hockey and more, all from the pen of Charles M. Schulz, in a handsome box set of four hardcover compilations.

Charlie Brown on the baseball mound. Lucy pulling away the football. Woodstock driving a Zamboni. Snoopy's side-hustle tennis career. Charles M. Schulz, creator of the most beloved comic strip of all time, saw sports as an essential part of American society, and an endless inspiration for both simple fun and opportunities to reveal and test character... just as they are in real life. The comic strips that resulted are some of the most iconic images in comics history!

Gathered here in a gorgeous four-book hardcover box set are the best of Schulz's sporting-themed strips and sequences, compiled from over fifty years of daily *Peanuts* cartoons. Themed volumes compile the works pastime by pastime — baseball of course, but football, golf, tennis, basketball, ice skating and hockey are all represented among the four volumes. Team celebrations, personal struggles, solidarity in defeat, joy in play, and pure whimsy — the *Peanuts* cast of children (plus a dog and a bird) experience them across these 800 pages, more than a few of which ask that age old question: will Lucy ever let Charlie kick that football?

The perfect gift set for the classic comics fan who loves sports, the sports fan who loves *Peanuts*... or who doesn't yet know that they do. Just in time for summer and Father's Day — play ball!

THE DEVIL'S GRIN: BOOK ONE

By Alex Graham

$29.99 / SC / 464 pgs / B&W / 6" x 9"

Alex Graham's follow-up to her acclaimed Instagram-sensation-turned-graphic novel *Dog Biscuits* chronicles the intertwined lives of the residents of Henryville, Idaho — which involve demons, Jim Morrison, a cartoonist with supernatural talent, sewer rats, and much more.

Robert wasn't born into an ordinary life. It began in a rush: flushed down a toilet by his mother and carried into the sewer by a demon. This monstrous presence stalks Robert into adulthood, haunting his dreams. Robert just wants to be like his idol, Jim Morrison, writing poetry, playing rock 'n' roll, and chasing beautiful women. But the demon soon begins haunting the entire city of Henryville. Dandelion, a young poet, falls in love with Robert and begins having confusing, terrifying romantic visions of the demon she can't seem to shake. Gary, a cartoonist, becomes convinced that his vengeful cartoons are channeling the word of a righteous God, capable of manipulating reality in powerful and destructive ways. They and other residents of Henryville find themselves tangled in a web of sex, drugs, rock 'n' roll, newspaper funnies, and demonic possession. Will the town's residents find a way to escape?

With its mix of comedy, horror, magic realism, anthropomorphism, naturalism, humor, psychedelia, and pathos, *The Devil's Grin* is a remarkable work of contemporary fiction by one of comics' most distinctive storytellers. Weaving together multiple character arcs at a brisk, deft pace, Graham juggles their secrets, desires, and insecurities in continually surprising ways, slowly introducing layers of malice that lead to an unexpected darkness. Graham's clear yet loose cartooning perfectly unfolds every twist and turn with creative precision.

THE IDRIS FILE

By Dix

$24.99 / HC / 132 pgs / FC / 7.4" x 10.3"

An awkward young man discovers that his quiet seaside Welsh town harbors Nazi horrors in its haunted cemeteries, making for a historical graphic novel thriller that reads like *The Banshees of Inisherin* meets *Raiders of the Lost Ark*.

In Wales 1974, a fisherman inadvertently reels in a Nazi flag. Meanwhile, young Idris and his mother ride a train in the countryside. Idris's mother has a new housekeeping job awaiting her in the small town of Bothelli, by the sea. Her new employer, a wealthy man named Mr. Miller, is confined to a wheelchair and beginning immediately upon their arrival, Mr. Miller's unceasing demands as an employer leave the socially awkward Idris adrift in his new town, friendless. That is, until he meets the mysterious and profane Gwen in the local cemetery. When Idris shows Gwen a map that he found at Mr. Miller's, it sucks them into a web of mystery and unimagined horrors.

As he did in his acclaimed 2018 graphic novel *Dull Margaret*, co-created with Jim Broadbent, Dix brings his world to life with his distinctive cartooning, weaving lumpy characters, earthy palettes, grim rumination, deadpan humor, supernatural elements, and a dreary countryside setting into one of the gnarliest graphic novels of the year.

CARAVAGGIO: THE PALETTE AND THE SWORD BOOK 2

By Milo Manara

$19.99 / SC / 64 pgs / FC / 9.25" x 12.25"

The bawdy, swashbuckling story of one of the greatest painters in history concludes, in Milo Manara's sumptuous, hot-tempered graphic biography of his artistic idol, Michelangelo Merisi.

Milo Manara's *Caravaggio: The Palette and the Sword Book 2*, the second half of Manara's epic two-volume biography of the hot-tempered Italian master painter, depicts the tragedy of his years on the run for killing a man in a duel in Rome. With a price on his head, Caravaggio flees to Naples, Malta, and Sicily — continuing to paint and desperately hoping his work will earn him a pardon from the pope.

Caravaggio: The Palette and the Sword Book 1 and *Caravaggio: The Palette and the Sword Book 2* — the latter available in English for the first time — mark the return of Milo Manara to U.S. readers and the debut of a new series of affordable graphic novels from Fantagraphics of maestro Manara's internationally acclaimed work. This second volume also includes an exquisite portfolio of Caravaggio's paintings from the 1600s, created during his exile from Rome.

THE WRESTLER

By John Kenn Mortensen

$22.99 / HC / 80 pgs / B&W / 8" × 10"

John Kenn Mortensen's mordant, black-and-white inked images have taken you to The Nightmare Factory, scared you with The Bestiary, and given you Night Terrors — now in the internationally bestselling artist's debut graphic novel, you're going to fight like hell!

Freestyle wrestler The Sledgehammer has never met defeat, not at the hands of Painkiller, Handsome Jens, Fezzik the Giant or the Angel of Death. But over the course of 80 pages, Danish illustrator John Kenn Mortensen's surreal black and white graphic novel will take Sledgehammer to the limits of reality, to show that he's motivated by far more than hubris — it's also love.

Mortensen's first English-language graphic novel delivers on the promise that his delightfully macabre books of illustration had previously made to readers around the world. With his spidery black-ink style, reminiscent of Edward Gorey's gothic line, we're taken to a world in which heavy metal mixes with the WWE by way of *The Seventh Seal* and Faust.

THE WOMAN WITH FIFTY FACES: MARIA LANI & THE GREATEST ART HEIST THAT NEVER WAS

By Jonathan Lackman and Zachary J. Pinson

$29.99 / HC / 232 pgs / B&W / 8" × 11"

A revelatory biographical graphic novel chronicling the elusive life and tumultuous times of Maria Lani.

On April 7, 1928, Maria Lani blew into Paris claiming to be a famous German actress and proceeded to seduce the cultural elite with her undeniable charisma and strangely enticing enigmatic aura. She persuaded fifty artists — Pierre Bonnard, Marc Chagall, André Derain, Henri Matisse, Georges-Henri Rouault, Fernand Léger and Suzanne Valadon among them — to immortalize her in paintings and sculptures, which would appear as an important plot device in a forthcoming film. Unveiled as an exhibition in New York, the art works traveled to Chicago, London, Berlin, Rotterdam, and Paris. But, in 1931, as legend eventually had it, she and her husband Max Abramowicz vanished without a trace, and so did the art. The film was never made.

The Woman With Fifty Faces is about uncovering as much of the truth about Maria Lani as possible. The images that cascade through the book are stunningly beautiful, deeply compassionate, and farcically grotesque, capturing the essence of Lani's life. From Poland's antisemitic pogroms to the vulgar glamour and decadence of 1920s Paris to the Nazi occupation of France in the '40s, the tumultuous Europe Lani traverses becomes nearly as much of a character as Lani herself. Jonathan Lackman spent two decades researching Lani's life and Zachary J. Pinson spent 5,000 hours putting pen to paper. The result is a masterful collaboration about identity and the power and limits of reinvention.

(W) Sam Prentice-Jones, Sam Prentice-Jones
(A) Sam Prentice-Jones
Debut author/illustrator Sam Prentice-Jones explores fighting against your destiny and reconciling the actions of your ancestors in *Arcana: The Lost Heirs*, a tarot-inspired fantasy graphic novel for young adults. James, Daphne, Koko, and Sonny have all grown up surrounded by magic in the Arcana, an organization of witches that protects the magical world, run by the mysterious and secretive Majors. Eli Jones, however, didn't even know other witches existed until he stumbled into James, on the hunt for rogue magic... magic that turns out to be Eli. As James introduces Eli to the world of the Arcana, he finds the family he never had, and a blossoming romance with James. The five new friends soon realize that sinister things are afoot and everything may not be what it seems at the Arcana. When the group delves deeper into the mystery surrounding the deaths of their parents and the Major's rise to power, they discover that they're at the center of a curse, one they've just unwittingly set into motion. As the friends search for answers, they'll have to confront the cursed legacy that links them in hopes of freeing their futures. (STL367363) (C: 0-1-1)

SUPER VISIBLE: THE STORY OF THE WOMEN OF MARVEL COMICS HC

(W) Margaret Stohl & Various
What does a hero's journey look like when the hero in question happens to be a girl? Marvel creator Margaret Stohl along with Judith Stephens, producer and cocreator of the Women of Marvel podcast, interviewed more than 120 women and nonbinary Marvel contributors in search of the answer to that question. With one shared goal—to make the historically invisible work of women visible—and with unprecedented access to Marvel creators, writers, actors, and more, Stohl and Stephens set out to tell the story of the women of the "House of Ideas" from 1939 through today, and along the way, to find the meaning of their own Marvel stories. Packed with biographies and illustrations of creators, graphical reprints and excerpts of historic Marvel comics, *Super Visible: The Story of the Women of Marvel* is an essential read for fans of all ages. Official ERB Artist Joe Jusko Brings Tarzan to Overstreet

In September 2018, Joe Jusko began creating new cover art and frontispieces for all 80 of Edgar Rice Burroughs' novels, kicking off the first unified Burroughs library by one artist. He started with Tarzan, and it was as if he owned the character. So, as the 50th anniversary of Joe Kubert's acclaimed Tarzan cover for *The Overstreet Comic Book Price Guide* #5 approached, he was the only artist that came to mind.

From the *Savage Sword of Conan* to *Vampirella* and from *Heavy Metal* to the 1992 *Marvel Masterpieces* trading cards, Joe Jusko has painted most of the great comic characters and plenty of the newer or lesser-known ones, too. The lighting, tone, character physiques and dynamic action of his paintings has earned him a distinct and well-deserved reputation.

"Ever since I was a kid working in a New York City comic shop, I've known that you had to be seen as one of the most respected artists in the industry to make the cover of *The Overstreet Comic Book Price Guide*. Each new edition proved it: Kubert, Eisner, Barks, Wood, etc., all the way through to the greats of today," Jusko said.

His first Overstreet cover, *CBPG* #42, was a recreation of "Big John" Buscema's original for *The Avengers* #58. His second was a powerful depiction of Thanos for the Hero Initiative exclusive edition of *CBPG* #48. His reinterpretation of Kubert's cover is his third *Guide* cover.

"To have built such a lasting relationship with *The Overstreet Comic Book Price Guide* has been a privilege and an honor for me. I do what I do out of a lifelong love for the medium and to have my work appreciated by so esteemed a publication is more than I could have ever expected," Jusko said.

The Overstreet Comic Book Price Guide #55 is set to go on sale on Wednesday, July 23, 2025.

LAST BREEDS HC

(W) Jonathan Ball, Matthew Medney
(A) GMB Chomichuk & Various

Genetic manipulation has poisoned the ecosystem of the earth. Since the Unraveling, no newborn lives past puberty and earth is a warring, wild land. To create the cure, a reclusive madman and his animal army must kill their way west to save a girl that might unlock the door to the future. Bale, heir to the Gencore corporation fortune, has turned his back on both family and company after they caused the collapse of civilization. Now, he lives in a compound with a zoo's worth of half-tame predator animals who are his only friends. When a mysterious woman offers Bale the chance to restore the world by aiding her quest to save the only teenager anyone has seen for a decade, Bale becomes a reluctant savior. He agrees to escort the women, leading a pack of wild beasts on a quest across a dangerous, dystopian America. Will they survive the journey? Is it already too late?

HELVETIQ

IN THE END WE ALL DIE GN

(W/A/CA) Tobias Aeschbacher

If Tarantino met Murakami in Germany—this multiple-prize-winning graphic novel set in six adjoining apartments is touching, intricate and very, very violent. When three sleazy gangsters storm into an apartment in search of a stolen urn, they set off a series of unfortunate events that threatens everyone in the building. As blood begins to pool, it becomes clear that this story is about more than the senseless violence. What is good and what is evil? Who decides who should die? And does anyone really know their neighbors? Theft and poison and so much shooting: and yet, on muted and somber pages, heartless villains become vulnerable heroes—before descending to cruelty once again. In this graphic novel that swept awards for best debut in Germany and Switzerland, a classic gangster comedy of errors grows into a meditation on loneliness, morality, and even love. (W) Walt Kelly, Thomas Andrae (A/CA) Walt Kelly
Walt Kelly's *Peter Wheat* comics are renowned for their humor, artistic flair and appeal to both children and adults. Between 1948 and 1951, Kelly drew thirty-five issues of *The Adventures of Peter Wheat*, a sixteen page comic book given away to bakeries to promote *Peter Wheat* bread. The stories were fairy tales starring Peter Wheat, an elf-sized boy who lived in a hollow tree on the edge of a wheat field where he and the Little Folk battle Dragonel, Queen of the Hornets, and later The Wizard. Continuing in their reprint of the rare and never before collected *Peter Wheat*, Hermes Press' *Walt Kelly's Peter Wheat the Complete Series: Volume Two* collects issues #15-25! (STL082142)

HARDCORE HAPPINESS: A GRAPHIC JOURNEY OF FINDING POSITIVITY THROUGH PUNK GN

(W/A/CA) Reid Chancellor
When you listen and scream along to your favorite punk or hardcore band, does that help your mental health or reinforce your frustrations? Artist Reid Chancellor leads us on a tour through hardcore musicians that have struggled with mental health-and written about it in their songs. In this graphic novel, Chancellor picks up the discussion he began in *Hardcore Anxiety*, in an engaging narrative that will be deeply relatable to anyone grappling with identity, fear, and loss in the mosh pit. Punk opens the door to speaking out about mental health issues, but it doesn't always encourage you to walk through the door and get help. Chancellor props that door open with humor and vulnerability, asking the question, "Why aren't there more hardcore songs about seeing your therapist?" That's a song we all might need to hear. This collection starts off in San Francisco, but aging parents and a major family emergency cause Ben to move back in Richmond, VA. After 23 years away, Snakepit returns to the place where it all started. His band breaks up, he turns 50, and the world and his life change dramatically, but Ben keeps bringing us a comic—and a song—every day throughout it all.Grown-up punks, fans of outsider art and diary comics, and anyone with aging parents will get it-and once you get it, much like growing older, there's no going back. NEW YORK REVIEW BOOKS

MISS RUKI GN

(W/A) Fumiko Takano
A classic of Japanese manga, *Miss Ruki* is a warm and vivid portrait of the lives of two young women in Tokyo during Japan's 1980s bubble economy. The titular Miss Ruki spurns the fast-paced consumer culture of the era in favor of a lighthearted life dedicated to her hobbies, her books, and spending time with her anxious but far more pragmatic friend, Ec-chan. Takano's art moves with all the warmth, grace, and clarity of the everyday moments it depicts. Sweet and funny, these vignettes of a long-gone time still resonate today with readers and authors in Japan, with famed contemporary manga artist Keigo Shinzo noting, "To read it is to grasp something of the essence of Japan.... This is the kind of manga I want to draw." (STL367892) (C: 0-1-2)

OUT OF THE PAGES OF *EPITAPHS FROM THE ABYSS* . . . A MONSTROUS NEW EC COMICS MILESTONE BEGINS!

From Hugo Award–nominated writer Corinna Bechko (*Cruel Universe*, *Green Lantern: Earth One*) and Eisner Award–winning artist Andrea Sorrentino (*Gideon Falls*, *Bone Orchard*), THE FANGS ARE COMING OUT as EC's own blood-splattered, bon vivant vampire rises from her first appearance in EC Comics' bestselling, blockbuster anthology . . . and into the history-marking, first-ever standalone horror series from the most notorious name in terror!

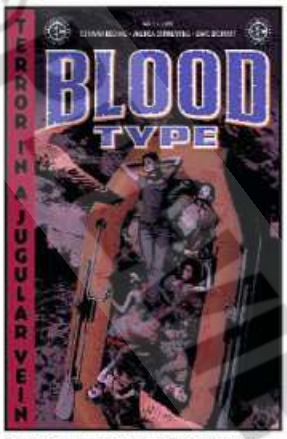

WHEN YOU'RE A VAMPIRE, EVERYBODY SUCKS . . . SOONER OR LATER! Meet Ada, an immortal vampire whose misdeeds have landed her on the doorstep of an idyllic Caribbean resort. . . . An island paradise teeming with wealthy tourists and superstitious locals—an ample food supply for the thirsty vamp looking to get away from it all!

But as Ada stalks the boundaries of her new hunting ground, she'll soon become embroiled in a deadly game of cat and mouse by moonlight . . . as an older, wiser, and entirely different kind of predator reveals its own carnal hunger for greed and power. Who will survive when a brand-new kind of BLOOD TYPE declares war on a cunning bloodsucker with nothing left to lose . . . and what will be left of them?!

ROCK AND RIDE! THE ALL-NEW ONGOING SERIES STARTS HERE WITH A 40-PAGE BOMBSHELL!

Hot on the heels—or in this case, wheels—of last year's breakout limited series from the Nacelle Company and Oni Press, the most radical animation icons to ever ride across the Elysium Plains—aka the Biker Mice from Mars—are back and revvin' it up in their FIRST-EVER ONGOING SERIES from the genre-bending imagination of writer Melissa Flores (*Power Rangers Prime*) and penciling-and-inking powerhouse Daniel Gete (*Skin Police*)!

The Red Planet is in revolt . . . and hard-charging rebels Throttle, Vinnie, and Modo are joining up with Mars' Freedom Fighters to fight the invading army of alien Plutarkian invaders. But when a new, entirely unexpected threat to Mars rears its ugly head, threatening the existence of their families, friends, and the fourth planet itself, will the Biker Mice's war become a full-fledged apocalypse?

Don't miss the adventures of everybody's favorite revolutionary rodent trio coupled with the return of RoboForce in an all-new back-up feature by writer Matt Hotson (*Power Rangers: The Return*) and artist EJ Su (*Transformers*) that will rock the foundations and set the stage for the future of the Nacelleverse!

IN ONE L.A. MOTEL ROOM, A COSMIC QUEST IS ABOUT BEGIN. . . . Edgar Award nominee and Philip K. Dick Award–winner Ben H. Winters (EC's *Cruel Universe*, *The Last Policeman* Trilogy) and rising star Leomacs (EC's *Epitaphs from the Abyss*, *Refrigerator Full of Heads*) unravel a three-part, prestige format series exploring the hallucinatory second life of a brilliant author who imagined our desperate future but never imagined he'd become part of it . . .

More than just a writer, more than just a science-fiction icon, Benjamin J. Carp was a cultural revolutionary. Across 44 novels and hundreds of short stories—including the counterculture classic *The Man They Couldn't Erase*—Carp pushed the boundaries of literary respectability for the sci-fi genre and his readers' perception of reality itself . . . until decades of amphetamine abuse and Southern California excess finally ended a mind-bending career that always just escaped mainstream success. He died in 1982.

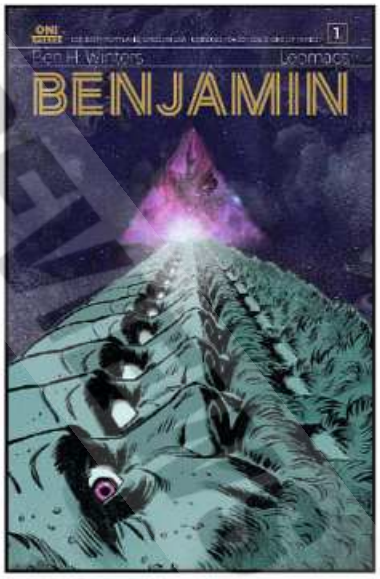

Until 2025 . . . when Benjamin J. Carp awakens, alive, in a burned-out motel on the fringes of Los Angeles. He remembers dying. He knows he shouldn't exist. Is he a dream? A robot? A ghost? A clone? A simulation? In his own time, Carp pondered all of these scenarios intensely through his fiction—and, now, as he treks from Studio City to Venice Beach and onward into the paranoid sprawl of 21st-century Los Angeles, he will be called to investigate his greatest mystery yet: himself.

In the tradition of Philip K. Dick's *A Scanner Darkly* and Thomas Pynchon's *Inherent Vice* comes a uniquely fascinating and hilariously deranged excursion into the metatextual nexus where existence and oblivion, past and future, genius and madness, and glitter and grim reality all meet just beyond Hollywood Boulevard . . .

WRITER/ARTIST/COVER ELYSE CASTRO

Follow Claire, a young witch, and her kitty Familiar, Edgar, as they seek to hone her magikal abilities in this cozy, coming-of-age tale based on the hit animated Frederator Studios short viewed by millions around the world!

Claire specializes in the magic of manifestation, creating art pieces that are capable of coming to life! But she wants to do more, and to be more, with her magic—so when she learns that a prestigious magikal institution called the Ridgewood Coven is accepting applicants for the first time in years, she's determined to make her mark and improve her skills.

But first, Claire has to pass the Coven's rigorous application process. With the help of Edgar, her curmudgeonly rabbit neighbor Flufftops, her magikal rival Swan, and host of new friends, Claire is going to make works of art, summon ghosts, battle trolls, and even befriend Death—but will it be enough to impress the Coven and secure a spot within their ranks? Or will Claire's self-doubt keep her from manifesting magikal art ever again?

Through it all, the sinister secrets of the closed-off Ridgewood Coven slowly come to light. Not everything is as it seems, and difficult decisions lie ahead: Will Claire be up to the task?

A wonderful world of magic, art, and friendship awaits readers in the first volume of *The Summoning*, the debut graphic novel from artist Elyse Castro, creator of the animated short of the same name!

In Muscletown, if you're not a jock, you're a nobody. You're an INDOOR KID.

Air-ball Arnie couldn't be worse at sports. As much as he wishes he could score three-pointers or hit home runs, the fact is that he's way better at video games than he is on the court or the field. What's worse is he lives in Muscletown, a city full of the best athletes and jocks, especially the Brohemians, the town's star athletes AND the town's biggest bullies. The Brohemians get to decide the winners from the losers, and they've decided Arnie is the biggest loser of them all. But all that changes when Arnie discovers a magical medal that gives him superhuman sports powers. Now he can slam dunk better than anyone, and he's determined to put these super sports abilities to good use by putting the Brohemian bullies in their place. But when his newfound powers start to get him the popularity and admiration he's always craved, will he use his powers for good or will he strike out and foul on his own friends?

Knock it out of the park in the newest graphic novel from Mat Heagerty (*Martian Ghost Centaur, Unplugged and Unpopular, Lumberjackula*) and Lisa DuBois-Thompson (*Rugrats, Aggretsuko*) in a sports-packed story about staying true to yourself, perfect for fans of Raina Telgemeier and Victoria Jamieson.

In the beautifully crafted *Sheets* series, Brenna Thummler offers a magical world inside a haunted laundromat inhabited by sheet ghosts. When Wendell the ghost bumbles into 13-year-old Marjorie Glatt's failing laundromat, the pair strike up an unlikely friendship in an attempt to save her family's business in the first installment, *Sheets*. Soon joined by ghost-photography enthusiast Eliza Duncan in the second book, *Delicates*, the trio band together in all matters paranormal. But when Marjorie starts to prefer the popular group at school, she'll soon learn the true value of friendship in Wendell and Eliza. As the trilogy comes to a close in *Lights*, Marjorie and Eliza help Wendell finally discover the truth of his human life.

DAN IN GREEN GABLES GN

(W) Rey Terciero
(A) Claudia Aguirre

Despite a life on the road with his free-spirited mother, fifteen-year-old Dan Stewart-Álvarez has always wanted to settle down. He just didn't think it'd be like this: with his mother abandoning him in rural Tennessee with two strangers—his gentle grandmother and conservative, rough-around-the-edges grandfather. Here, he is forced to adjust to working the farm, entering high school, and hardest yet—reckoning with his queerness in a severe Southern Baptist community. But even as Dan grows closer to his mawmaw, befriends fellow outsiders at school, and tries to make a new life for himself in Green Gables, he has to discover whether he can contend with intolerance and adapt to change without losing himself in the process. From award-winning author Rey Terciero and Eisner Award nominee and illustrator Claudia Aguirre comes a new retelling of *Anne of Green Gables* about unconventional families, queer identity, and finding the meaning of home in the most unlikely of places. GOLDEN AGE CLASSICS: BLACK TERROR VOLUME 3 HC

(W) Richard E. Hughes (A) David Gabrielsen & Various

Bob Benton was a pharmacist working on a tonic to pep people up, who developed "formic ethers" instead,thanks to a comment made by his new assistant Tim Roland inspiring him along a new path. Inhaling the vapors from his discovery granted him superhuman strength, which he used to become the crimefighter the Black Terror, battling hoodlums, saboteurs and enemy agents in equal measure. Tim, similarly empowered, became his sidekick—together known as the Terror Twins! Collects *Exciting Comics* #33-50 (June 1944-August 1946). (STL367132) (C: 0-1-2)

GOLDEN AGE CLASSICS: THE SPIRIT SOFTEE VOLUME 4 SC

(W) Will Eisner
(A) Will Eisner, Lou Fine
(CA) Will Eisner

The Spirit is a fictional masked crime fighter created by cartoonist Will Eisner, who fights crime with the blessing of the city's police commissioner Dolan, an old friend. Despite the Spirit's origin as detective/criminologist Denny Colt, his real identity was rarely referred to after his first appearance, and for all intents and purposes he was simply "The Spirit." The stories are presented in a wide variety of styles, from straight forward crime drama and noir to lighthearted adventure, from mystery and horror to comedy and love stories, often with hybrid elements that twisted genre and reader expectations. Comic book stories from the 1940s and 1950s may depict some ethnic and racial prejudices that were once commonplace in American culture. Such depictions were wrong then and are wrong today. While not representing the publisher's view of today's society, these stories are printed as they were originally created, because to do otherwise would be the same as claiming these prejudices never existed. Collects Quality Comics' *The Spirit* #13-17 (August 1948-September 1949). (STL367134) (C: 0-1-2)

PRE-CODE CLASSICS: GHOST RIDER VOLUME 4 HC

(A) Dick Ayers, Frank Frazetta (CA) Dick Ayers

Created by Dick Ayers and Ray Krank, Rex Fury was originally known as the Calico Kid, who, together with his white horse Spectre, became the Ghost Rider! Wearing a white outfit covered with phosphorus and using a cape that had phosphorescent on one side and black on the other, he could cover parts of his body to give the illusion that he was merely a floating head or pair of hands. To further the illusion, he wielded a black lariat and black bullwhip; even Spectre glowed in the dark! The Ghost Rider battled many foes who, like him, were not truly supernatural at all, such as an imposter of Frankenstein's Monster and the Harpy, werewolves and vampires! GRUMPY MONKEY: SCHOOL STINKS! GN

(W) Suzanne Lang (A) Max Lang

When Jim Panzee fails to identify the footprints of a polecat with a very smelly spray, he winds up smelling very stinky. The jungle animals complain about the stench, and his best friend Norman reminds Jim that they learned how to identify animal footprints in school. Then the jungle animals chime in saying that it was too bad that Jim spent all his time in school daydreaming. They insist: Jim needs to go back to school. At first, Jim objects. After all, he's a full-grown chimp living on his own branch. But Norman convinces Jim to head back to the classroom, even if he's surrounded by baby animals. Grumbling all the time, Jim Panzee studies Animal Tracking, Physical Fitness, and Jungle Plants. Although he's not the best student, Jim will have to use everything he's learned to help his friend Little Turtle and his tummy ache. (STL367832) (C: 0-1-2)

BACK TO BLACK: JULES FEIFFER'S NOIR TRILOGY SC

(W) Fabrice Leroy (A) Jules Feiffer
The legendary American cartoonist and author Jules Feiffer has enjoyed a long and varied career, working on everything from illustrating *The Phantom Tollbooth* to writing the screenplay for the film *Popeye*. But some of his most innovative work came very late in his career, with a trio of graphic novels he composed in his eighties: *Kill My Mother* (2014), *Cousin Joseph* (2016), and *The Ghost Script* (2018). *Back to Black* provides the first full-length critical analysis of this trilogy, exploring how it pays homage to the iconography and themes of film noir through constant graphic experimentation and a striking reinvention of Feiffer's distinctive style. Fabrice Leroy shows how Feiffer deftly alternates between dramatic and satirical tones as he plays with the conventions of noir to provide a caustic yet moving commentary on mid-twentieth-century American life. SAY HELLO TO THE BAD GUYS HC

(W) Marc Raimondi
In 1996, professional wrestling was one of the most watched sports on cable television, with more than 5 million people tuning in every week. And in the late 1990s, pro-wrestling was the hottest thing in American pop culture. The NWO, or New World Order, became a business like no other, and was responsible for the explosive ratings and rabid fanbase. It started with an ingenious storyline starring Scott Hall, Kevin Nash, and the titular Hollywood Hogan—Hulk Hogan gone bad. Together, they formed a new era of characters to root for: The Bad Guys. The NWO broke down wrestling's fourth wall in a clever new way, blurring the lines between fiction and reality. And suddenly, watching professional wrestling not only became socially acceptable, but a necessity if you wanted to stay up to date with pop culture. Their impact was infectious and long-lasting. It was entertainment that shaped a generation. (STL367206) (C: 0-1-1)

O/A MASTERPIECES OF FANTASY ART TASCHEN 40TH-ANNIV EDITION HC

(A) Michael Whelan & Various

Fantasy art, that colorful blend of myth, muscle and sexy maidens, took off in 1923 with the launch of Weird Tales magazine, was reinvigorated in the 1960s with *The Lord of the Rings*, *Conan the Barbarian* paperbacks with Frank Frazetta covers, and the late '60s emergence of fantasy psychedelia. It went big in the '70s with the role-playing game *Dungeons & Dragons*, the brilliant French magazine *Métal Hurlant*, and the first *Star Wars* film. The number of active artists peaked in that decade, but a new generation of fans discovered the genre through fantasy trading card games in the '90s, leading to a massive interest in the art form today. Fans line up at Comic-Cons to meet Boris Vallejo, Rodney Matthews, Greg Hildebrandt, Michael Whelan, and Philippe Druillet, and memorialize dead icons HR Giger, Jeffrey Catherine Jones, and Frazetta. This book features original paintings, contextualized by preparatory sketches, sculptures, calendars, magazines, and paperback books, for an immersive dive into this dynamic, fanciful genre. Insightful bios go beyond Wikipedia to give a more accurate and eye-opening look into the life of each artist. This collection will reign as the most exquisite and informative guide to this popular subject for years to come. (STL273051)

CASTLE SWIMMER VOLUME 2 GN

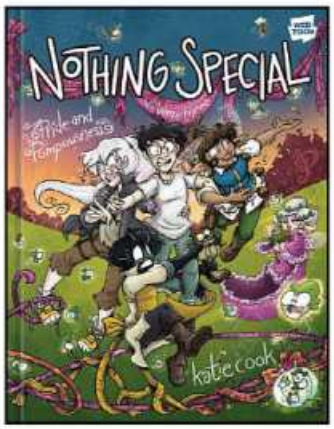

(W/A) Wendy Martin

The sharks want Kappa dead, and time is running out for Prince Siren to save him. Queen Susca knows Siren doesn't have the courage to kill Kappa, and for the sake of the kingdom, she's willing to do the deed herself. As tensions run high, neighboring queens pay the sharks a visit to offer an alliance, and while they might just be the means of escape the two mermen have been looking for, it's unclear if they can be trusted. Siren will do anything to get Kappa to safety—even if it means never seeing him again, and even if all Kappa wants is to stay by his side. Yet escaping the queen's spear will take all of Siren and Kappa's courage and cunning, and there's no guarantee they'll both make it out alive. This volume collects episodes 20-41 of Webtoon's *Castle Swimmer* and includes a never-before-seen bonus chapter featuring Kappa and Siren. (STL367834)

NOTHING SPECIAL VOLUME 3: PRIDE & POMPOUSNESS GN

(W/A) Katie Cook

Laurel Poppyfield, matriarch of the fairy Poppyfield family, is dying. She holds the majority of the Poppyfields' magic, and has no heir to give it to. Or so she thought until Callie, Declan, Lasser, and Radish walked into the family estate trying to find someone to heal Declan's wing. It turns out Declan is Laurel's grandson and practically fairy royalty, and the timing of his arrival could not be more perfect. Not everyone is happy about Declan's sudden appearance, though. Leir, one of Lasser's older brothers, has worked for years to become a trusted presence in the Poppyfield home. He was Laurel's top choice to inherit the family's magic before Declan showed up, and he's not about to let his plans get ruined. It's up to Callie, Declan, Lasser, and Radish to thwart his nefarious schemes before Laurel dies and the Poppyfield magic falls into the wrong hands. This volume of Katie Cook's *Nothing Special* collects the final 25 chapters of Season 2 of the webcomic. (STL367835) (C: 0-1-2)

MUROS: WITHIN MAGICAL WALLS: THE CASE OF THE CEMETERY GIRL GN

(W) Paolo Chikiamco
(A) Borg Sinaban

Muros is an urban fantasy set in an alternate Manila which has been sealed off from the rest of the world for decades. In this fast-paced graphic novel the walled city of Manila, recently freed from a dictator's iron-fisted rule, is a magical metropolis where monsters flit and feed along neon-lit streets. The city, now governed by mysterious Societies, faces rising tensions between the human and nonhuman inhabitants that are nearing a breaking point. In a world where magic and modernity make for uneasy bedfellows, there are some secrets you simply can't prepare for. Especially secrets that involve a cast of nonhuman characters, such as one-eyed Yomaws (hybrid human-canines), Asu-Gamis (half Aswang, half Inugami) and slinky Silat immortals. THE WORLD OF ANDONG AGIMAT: THE MYSTERY OF THE TALISMAN GN

(W/A) Arnold Arre

In this spellbinding action-adventure from Arnold Arre—the great master of the graphic novel, the age-old divide between good and evil widens. Catch a glimpse of a Manila privy to only a few of the supernatural and magically inclined, while following a superhero born and raised by its streets. In a world yearning for stability, a renegade force arrives, spreading chaos amidst the populace in the form of a gruesome plague. This is when the world needs Andong Agimat—and his mysterious amulet. Can the talisman's secret powers repel the forces of chaos? (STL367630) (C: 0-1-1)

A GUEST IN THE HOUSE GN

(W/A/CA) E.M. Carroll

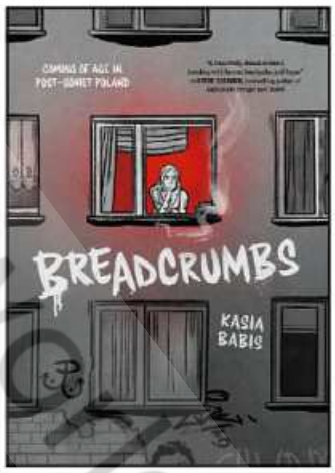

Lonely, isolated Abby has just married a widowed dentist who recently arrived in town with his daughter and begins to go through the motions of becoming a wife and mother. But the more she learns about his first wife, the more things don't add up—did she really just pass away or is something more sinister afoot? As Abby delves deeper, the first wife's memory seems to become a force all its own, ensnaring Abby in a mystery that leaves her obsessed, fascinated, and desperately in love for the first time in her life—all leading up to an explosive, tragic conclusion. E.M. Carroll's masterful balance of black and white, surreal colors, rich textures, and dramatic lettering is assured to bring this story to life and give readers a chill up their spine as they read. BREADCRUMBS: COMING OF AGE IN POST-SOVIET POLAND GN

(W/A) Kasia Babis

In the late 1980s, Poland is facing debilitating food shortages, worker discontent, and astronomical inflation. Seemingly overnight, the country transitions from communism to capitalism. During this period of flux, Kasia Babis is born. In the shadow of national change, Kasia experiences her own journey of growth, from rebellious teen to politically minded activist. She grapples with her country's deep-rooted Catholicism and forges her own beliefs, leading to her becoming an active part of Poland's left-wing Razem party. Each new experience is a reminder that broader societal upheavals reverberate on a deeply personal level. *Breadcrumbs* is a coming-of-age story—not only of Kasia but of Poland as a modern state. CONVERSATIONS WITH RICK VEITCH SC

(W/A) Rick Veitch

From his roots in underground comics to his high-profile runs on mainstream characters, Rick Veitch (b. 1951) has carved out a career unlike anyone else's. Collecting thirteen interviews—including three published here for the first time—*Conversations with Rick Veitch* offers a wealth of insight not only into the development of Veitch's graphic innovations and metaphysical explorations, but also into the upheavals and transformations of American comics from the 1970s to today. Ranging across topics such as his early days at the Joe Kubert School, the controversial end of his *Swamp Thing* run, his muckraking work as a comics journalist, and his educational comics publishing venture, Eureka Comics, the interviews collected here reveal Veitch to be both a shrewd observer of the pitfalls of the marketplace and an eloquent spokesman for the boundless potential of creativity. LOKI: A BAD GOD'S GUIDE TO MAKING ENEMIES HC

(W/A) Louie Stowell

kids COMICS

The fourth doodle-packed diary in the international best-selling series about the Norse god of tricks and mischief sent to Earth to learn how to be good. Loki made a fair few enemies during his time in Asgard. Too many to count and certainly too many to remember. When the elf Vinir beams Loki aboard his chariot and challenges him to a magical duel, Loki hasn't got a clue why. Sweet-talking his way out of a fight by pointing out there's little honor in dueling someone who can't remember how they wronged you, and even less in picking on a child, Loki is returned safely to school. That is, until Vinir shows up in child form, as resolute as ever about seeking that duel... and vengeance. (STL367836) (C: 0-1-2)

WRITER: GIACOMO MASI | ARTIST: ILARIA GELLI

SOFTCOVER | 124 PAGES | FULL COLOR | AGES 12 AND UP
SCIENCE-FICTION, ACTION/ADVENTURE | $14.99

What if a video game overwrote reality? When five friends meet up to celebrate the release of their favorite game's new DLC content, they're distressed to discover that the download's wait time is a whopping 10 hours! Determined to wait it out, the girls fall asleep at their desks. When they wake up, the *"World of Ragnarok"* has somehow transcended realities, transforming their local shopping mall into one of the game's dungeons. As the world around them continues to transform, becoming elements from the game, it becomes more and more difficult for the party of friends to separate reality from game-based fantasy...

Written by Giacomo Masi and illustrated by Ilaria Gelli, GG is a story of adventure, friendship, and video games, all beautifully illustrated in a fresh, ultra-colorful "pop manga" style.

Black or White, Volume 10

Story and Art by **SACHIMO**

Shin knows that his lover, Shige, is hiding something from him, but he decides to be patient and wait for Shige to open up about it. Before he can, however, the conniving actress Fukui approaches Shin to inform him she's the niece of the CEO of Shige's talent agency and that she'd like for them to meet. Shin promptly declines, but it's not long before he finds himself questioning if he really is okay with being the only one left in the dark. Soon, the situation begins to affect his work, and it's then that CEO Asakusa pays Shin's set another visit!

SNEGUROCHKA OF THE SPRING BREEZE GN

(W/A) Hiroaki Samura

Winner of the Excellence Award in Manga at the 2014 Japan Media Arts Festival, this deeply researched political drama from the creator of *Blade of the Immortal* transports us to the frigid fringes of the nascent Soviet Union of the 1930s. Bielka ("Squirrel"), a beautiful young woman in a wheelchair, and her taciturn companion Shchenok ("Puppy") must keep their true identities secret as they navigate the fraught political climate and harsh landscape of the Soviet Union in the 1930s. Intrigue abounds in this richly historical and erotic political drama that weaves historical figures including the Romanovs and Rasputin into Hiroaki Samura's brilliant fiction. TWILIGHT OUT OF FOCUS BOX SET

(W/A) Jyanome

Second-years Mao Tsuchiya and Hisashi Otomo make three promises: 1) That Mao will never tell anyone that Hisashi is gay and has a boyfriend, 2) That Hisashi will never think of Mao "in that way," and 3) That they'll always knock before entering, in case someone is having some "private time." The two's ground rules should ensure a peaceful life together in their dorm, but life is never as simple as it should be, and some things are not so easily promised... This collector's box set contains volumes 1-4 of the *Twilight Out of Focus* series and includes a special booklet with U.S.-edition-exclusive art, a never-before translated short story, and all-new full-color illustrations. WELCOME TO DEMON SCHOOL! IRUMA-KUN VOLUME 14 GN

(W) Osamu Nishi

Iruma Suzuki has always been eager to please, even at the cost of his well-being. Worst yet, he's the son of two selfish parents who end up selling him to a demon. Thanks to their totally irresponsible actions, Iruma has found himself living in the Netherworld, where he must live and attend school as the grandson of an older demon. Luckily, his new, doting grandfather is there to help, but Iruma will have to figure out how to blend in with his demonic classmates or risk getting eaten. All he needs to do is subjugate rival classmates, summon familiars, and do other typical demon things while never revealing that he's human... Piece of cake, right? NESTLINGS BOARD GAME

From Lucky Duck Games. In *Nestlings*, players roll their biome dice each round and strategically place them in biomes, vying for resources and priority in turn-based competition. Priority is critical, as the first to place dice in a biome gets the first pick of resources and the chance to disrupt opponents by discarding their coveted resources. However, rivals can outmaneuver by placing more dice in the same biome, seizing control and shifting the dynamics. Players resolve biomes to collect resources, feeding their Nestlings for immediate points or completing their Resource Rings for bonus rewards and potential chain reactions. The tension escalates as decisions must be made—secure priority, pursue bonus objectives, or save resources for end-game Nest Goals. (STL360236) **Item has been previously solicited in *New to Order.*** (3724/933846) (C: 1-1-2)

CARDINAL LEGACY DELUXE MANCALA GAME

From Spinmaster. An ancient game beloved to this day, *Mancala* is the simple yet strategic 2-player game of moving pebbles from cup to cup on the board. Each player picks a side and places 4 pebbles into each of the 6 nearest cups. To play, pick up all the pebbles from one of your cups and drop them one-by-one into each of the next 4 cups. If the last pebble drops into an empty cup on your side, you get to take all your opponent's pebbles in the opposite cup and put them in your end zone (your Mancala). If the last pebble played lands in your own Mancala, you get another turn. Play continues until all 6 cups on one side of the board are empty. Each player counts the pebbles in their Mancala—if you have the most pebbles, you win! The *Legacy Edition Deluxe Mancala* game features a decorative folding wooden board and smooth, colored glass pebbles, the perfect game to play and put on display. O/A AUTO WORLD: 1959 CHEVY EL CAMINO SEDAN DELIVERY TRUCK 1/24-SCALE DIE-CAST

From Round 2. Chevrolet is credited with making the first sedan delivery which became the blueprint for other manufacturers' sedan deliveries. Based on an automobile body, it drove like a car and could maneuver in tight spots where big trucks could not fit. With its distinctive horizontal fins, panoramic wraparound windshield and cozy passenger car interior, this 1959 Chevy Sedan Delivery was beautifully built to shoulder a capacity of 93 cubic feet that is easy to load. Auto World has replicated this 1959 Chevy Sedan Delivery in a striking red and white two-tone combination, with the panel area emblazoned with the marks of the classic American beer that embodies the simple, honest pleasures that make our lives feel rich. It is the "Champagne of Beers" paired with a sedan delivery that's "more than a car — more than a truck." (STL334850) **Available Now!** (7170/AW24014/06) (C: 1-1-2)

Die-Cast.....$79.99

O/A AUTO WORLD: 1951 GMC MILLER HIGH LIFE DELIVERY TRUCK WITH FIGURE 1/24-SCALE DIE-CAST

From Round 2. The 1950s was a golden age for General Motors and the Miller Brewing Company. Times were good in Detroit, Milwaukee and across America. The 1951 GMC Sedan Delivery was the right vehicle to do the job of delivering kegs and cases of fresh Miller High Life beer to thirsty customers, from coast to coast. Auto World has replicated this 1951 GMC Sedan Delivery emblazoned with the marks of the classic American beer—Miller High Life. The beer that embodies the simple, honest pleasure of enjoying a "cold one" after a hard day's work. (STL334853) **Available Now!** (7170/AW24016/06) (C: 1-1-2)

O/A SILVER SCREEN MACHINES: MONOPOLY: 1963 VOLKSWAGEN BEETLE FREE PARKING 1/18-SCALE DIE-CAST

From Round2. In the traditional *Monopoly* rulebook, Free Parking is just a safe spot where nothing happens. However, a popular "house rule" adds excitement by diverting all fines and fees to a pot in the center of the board, which is won by landing on Free Parking. *Auto World* celebrates this with a 1:18 scale die-cast replica of a 1963 Volkswagen Beetle in Yukon Yellow. This iconic car, known for its air-cooled rear-mounted engine and distinctive design, is adorned with *Monopoly* graphics, including the Free Parking space on each door. The model features a detailed engine, steerable front wheels, and an accurate interior and chassis. Also included is a resin figure of Mr. Monopoly holding a Free Parking sign, making this a jackpot addition to your collection. (STL334849) **Available Now!** (7170/AWSS141/06) (C: 1-1-2)

SPOTLIGHT ON

AXIS & ALLIES: BATTLE OF THE BULGE BOARD GAME

German tanks thunder into the snow-covered Ardennes forest, opposed only by a few unsuspecting divisions of exhausted American troops. As Axis forces plunge into the countryside, Allied troops must struggle to hold the front line in order to repel the all-out offensive. *Axis & Allies: Battle of the Bulge* challenges two players to control territory and contend with supply shortages while directing infantry, artillery, tanks and aircraft in one of the most decisive conflicts of World War II. (STL365345) **Item has been previously solicited in *New to Order*.** (C: 1-1-2) **NOTE:** Available only within US and territories.

VAMPIRE THE MASQUERADE RPG: IN MEMORIAM SOURCEBOOK HC

You've been dead longer than you were alive. You've witnessed the passing of every mortal from your first life—through violence, disease, or the relentless march of time—while you, undying, remain bound to this world. Your nights are haunted by the echoes of history, from the distant whispers of two centuries past to the cataclysmic World Wars and the rise of the modern era. Embrace the mantle of the noveaux elders, the ancillaewho have seized power in the absence of the true elders, who've now fallen or been beckoned away. Become a Kindred of 100, 150, or even 200 years. Detail your backstory and relive the formative trials and tribulations that forged you into the monster you are today. Command the night with the power of centuries behind you with *In Memoriam* for *Vampire: The Masquerade*. (STL351986) **Item has been previously solicited in *New to Order.*** (C: 1-1-2) **NOTE:** Available only within US and territories.

FOOD FIGHT FRENZY GAME

Food Fight Frenzy is a dice rolling, speed, and dexterity game. Each player has a stack of tiles and starts with 5 tiles face up. On a player's turn they roll all the dice and say Go. Then it's a mad dash where all the players try to place their face up tiles on top of the matching dice. Once a player has no more tiles that match any uncovered dice they can say Stop and the round ends. Be careful though, if you call stop too early or have any of your tiles fall off the dice you're out of the round. Continue like this until one player gets rid of all their tiles and wins. A speed pattern recognition and dexterity game. First player to get rid of all of their dice wins the game! (STL367396) **Item has been previously solicited in *New to Order.*** (C: 1-1-2) **NOTE:** Available only within US and territories.
